**Beatlemania** ,1980 *London's Working-Class Youth and the Making of Post-Victorian Britain, 1958-1971* Felix Fuhg,2021-05-20 This book examines the emergence of modern working class youth culture through the perspective of an urban history of post war Britain with a particular focus on the influence of young people and their culture on Britain's self image as a country emerging from the constraints of its post Victorian imperial past Each section of the book Society City Pop and Space considers in detail the ways in which working class youth culture corresponded with a fast changing metropolitan and urban society in the years following the decline of the British Empire Was teenage culture rooted in the urban experience and the transformation of working class neighbourhoods Did youth subcultures emerge simply as a reaction to Britain's changing racial demographic To what extent did leisure venues and institutions function as laboratories for a developing British pop culture which ultimately helped Britain re establish its prominence on the world stage These questions and more are answered in this book *Beatlemania 1967-1970* John Lennon,Beatles,1986 Piano Vocal Guitar Artist Songbook 45 of the Beatles biggest hits from 1967 1970 including All You Need Is Love Come Together Hey Jude Let It Be The Long and Winding Road Penny Lane Revolution many more **Beatlemania** Beatles,John Lennon,1980

*Beatlemania, 1967-1970, Vol. 2* John Lennon,paul McCartney,1970\* *Born at the Right Time* Doug Oram,1997-12-15 It is rare in history for people to link their identity with their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Oram brings us the untold story of this famous generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock's dictate that this particular crop of babies must be treated gently Oram explores the myth and history surrounding this group from its beginning at war's end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Oram points out and laid their claim on history while still in diapers He sees the generation's power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women's liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Oram's history of the baby boomers is in many ways a history of the era Doug Oram has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book *Born at the Right Time* is the first Canadian history of the baby boomers and the society they helped to shape **Cumulated Index Medicus** ,1967 *Behind the Wall of Illusion* Sean MacLeod,2023-04-23 The Beatles brought colour joy freedom and love to a grey post war world But the most successful

group in popular music history also harboured hidden sometimes darker worlds and influences that are often downplayed by their biographers In their career the Fab Four were to cross paths with many spiritual movements religious groups esoteric philosophies and mystical teachings Inevitably their thinking was affected by the ideas they encountered These ideas in turn helped shape their music and given their vast popularity the public consciousness Behind the Wall of Illusion examines the spiritual inspirations that the Beatles brought to the changing cultural landscape of the 1960s From the popularization of the new religion of rock n roll Beatlemania the new Cult of Dionysus and John Lennon s explosive statement that the Beatles were bigger than Jesus Sean MacLeod takes us on a tour of Indian ashrams questionable gurus and hallucinatory drugs He also studies the secreted clues in the Beatles album covers and films the growing rumours that Paul had been killed in a car crash and covertly replaced and the tragic assassination of John Lennon and the unknown perpetrators behind the crime This is an indispensable book for any lover of the Beatles     *The Beatles Anthology* The Beatles,2000-09 Includes primary source material in the form of photographs transcripts etc     **Goldmine's Rock'n Roll 45rpm Record Price Guide** Neal Umphred,1992     **Goldmine Standard Catalog of American Records** Tim Neely,2006-08-31 Record expert Neely shows what to look for when collecting vinyl records by some of today s hottest recording artists including Madonna Prince U2 REM and Garth Brooks 200 photos     *Beatlefan* ,1985     **History in Dispute: World War I, first series** Dennis E.
