## **Beautiful Power Letter Black Women:**

Beautiful Power Brian Heat, 2015-12-07 Beautiful Power A Love Letter to Black Women is a celebration of who you are who you desire to become and how to help you get there Traveling my own passionate journey of trial and error while searching for life s meaning and the manifestation of my own purpose I was compelled to address the steady attack on the persona and intelligence of Black women The direct and subliminal messages by the media our community and sadly ourselves would like us to believe that Black women can be summed up as baby mommas foolish money hungry combative or void of compassion just to name a few In this book I seek to dismantle these stereotypes and stimulate an honest conversation about the need for Black women to embrace their inner beauty shake off the negative labels attached by the media stop the abuse of self and others and to practice loving It is only through this process that you can begin to heal grow and positively influence all those that cross your path as you move closer to your own sense of personal fulfillment and happiness
