**Because Teaching Matters** Marleen C. Pugach, 2009-01-06 Real challenges Real choices And very real consequences That's what today's classrooms are about That's why Marleen Pugach's *Because Teaching Matters* An Introduction to the Profession 2e is all about depicting today's classrooms as they truly are while at the same time highlighting the enormous impact teachers have on students' lives Organized around five professional commitments from learning from multiple sources of knowledge using the curriculum responsibly and embracing diversity to meeting the needs of individual students and contributing actively to the profession *Because Teaching Matters* An Introduction to the Profession 2e tells the true story of today's complex classrooms But there's more It also drives home that though the decision to teach is a serious one it is one that can be extremely rewarding Current research practical discussions and realistic cases capture the breadth and depth of the modern teaching experience while a warm engaging writing style make the text a pleasure to read Ideal for Foundations of Education and Introduction to Teaching courses designed to provide preservice teachers with an overview of the profession

*Because Teaching Matters* Marleen C. Pugach, 2023-12-12 Revised and updated guide for prospective teachers with increased detail about the realities of teaching in a changing demographic society post pandemic life societal changes brought about by technology and the current political moment in education Real challenges Real choices And very real consequences That's what today's classrooms are about That's why Marleen Pugach's *Because Teaching Matters* Third Edition depicts today's classrooms as they truly are while highlighting the enormous impact teachers have on students' lives The book is organized around five professional commitments learning from multiple sources of knowledge using the curriculum responsibly practicing equity minded teaching meeting the needs of individual students in the context of the classroom and school community and contributing actively to the profession The third edition focuses on The current landscape and challenges of supporting multi racial multi ethnic multi lingual and multi ability classrooms across socioeconomic levels and the relationships among students families communities and educators The latest academic approaches for teaching students who have disabilities leveraging modern classroom technology the role of legislation and funding and updates on the current context of teaching and teacher preparation New post pandemic societal and educational contexts Classroom and school reflections on practice written by current teachers and teacher leaders in real classrooms and real schools showing authentic best practices in action Ideal for Foundations of Education and Introduction to Teaching courses designed to provide preservice teachers with an overview of the profession *Because Teaching Matters* Third Edition tells the story of today's complex classrooms It also drives home that though the decision to teach is a serious one it is one that can be extremely rewarding

*Because Teaching Matters* Marleen Carol Pugach, 2023-11 *Because Teaching Matters* provides teachers with a realistic depiction of today's classrooms while highlighting the enormous impact that teaching has on everyday lives The book is organized around five professional commitments learning from multiple sources of knowledge

using the curriculum responsibly embracing diversity meeting the needs of individual students and contributing actively to the profession It helps teachers make decisions and take responsibility for the consequences of those choices emphasizing that the decision to teach is a serious one that can be extremely rewarding This revised edition focuses on diversity throughout with new material on the latest academic content standards teaching students with disabilities modern classroom technology the role of legislation and federal funding and other updates to reflect the current context of teaching and teacher preparation The updates also account for new societal and educational contexts post pandemic While not entirely about the pandemic the new edition serves prospective teacher candidates who themselves have experienced a disruption in their PK 12 educations because of the pandemic Therefore the book addresses the ruptures it has caused on multiple fronts many of which touch on the education system and have affected every student teacher and family

**Because Teaching Matters** Marleen C. Pugach, 2005-11-25 The concept of making choices as a teacher and taking responsibility for the consequences of those choices is a central theme of this book It is organized around five professional commitments that taken together are essential if teaching is going to make a difference in the lives of students This innovative organizing structure uses the five commitments to help readers think in a more informed way about issues that affect their initial concerns when making the decision to teach as well as their professional development as teachers
