Because Our Story Will Never End:

With Your Words in My Hands Sonia Cancian,2021-04-07 Following Antonietta and Loris s first kiss in the shadows of the Italian Alps barely a year after the end of the Second World War the couple was divided by a distance far greater than could ever have been imagined With Antonietta s family moving to Montreal migration entered the couple s intimate worlds stretching the distance between them from the two hundred kilometres separating Ampezzo and Venice to the ocean between Montreal and Venice Throughout their transatlantic separation the young lovers fervidly wrote each other until they were reunited in Canada in 1949 With Your Words in My Hands tells a story about love and migration as written and read idealized and imagined through daily correspondence Sonia Cancian recovers a rare complete epistolary record of an immigrant experience defined by love and sustained in writing translating the letters with deftness and an ear for the immediacy of emotion and longing they embody Cancian gives context to these exchanges dating from the beginning of the largest migration movement from Italy to Canada showing how love frustration fear sadness and empathy were palpable elements that inflected the quotidian bureaucratic processes employment family life and defined immigrant experience For the countless couples whose love is fragmented by separation but woven together with envelopes and stamps or onscreen in today s instant messaging these letters remind us how the experience of distance and proximity absence and presence can be reconfigured within the world of intimate correspondence

Do Nothing Jonathan Cottrell,2022-07-12 Do Nothing shares a

strong message of how to accomplish something greater for Jesus Most religions proudly and regularly teach what their followers must do to reap spiritual rewards and climb the peaks of enlightenment But then there s Jesus Rather than tell His followers what they could do Christ taught believers that they could do nothing apart from Him John 15:5 Likewise the Son of God insisted that He could do nothing apart from His Father in heaven John 5:19 Unfortunately this is a message that has been largely forgotten among even the most well intentioned Christians and trendiest of churches Maybe it s a message that readers have never even heard In Do Nothing readers learn how to peacefully rest better discern and calmly walk forward in the completed work of Jesus Finally they can escape the burdensome mantras of today s culture which indoctrinate everyone everywhere to work hard hustle earn it make it happen try harder and do something So much doing Jesus offers a much easier way in fact He is the way And He accomplishes everything He begins

Soleiluna Emily Frances,2024-04-30 Our story starts when ancient hearts reincarnate to tell the tale and as they unveil the mystery that links together all of history the secret knowledge that once was forbidden becomes unable to stay hidden but when the deception of the past begins to bubble the darkness conjures a conniving trouble however karma spins the wheel in the name of the light to set the world right and when the most powerful souls of the divine are alive once again to shine like the prophecies told a wonderful adventure is set to unfold as Luna meets Soleil when she crosses under the archway through the magical

portal their past lives created and so their reunion was predestined and fated because life is like a poem that never ends and when they team up with their old friends they open so much more than just the ancient teleportation door as the farther they travel the more begins to unravel and is unfurled in this mythical fairytale world because with the powers of their mind they are able to find the treasures their past lives left behind and the truths that lie in the legends lost to time as they sing the everlasting rhyme and take the stage to vanquish the evil and kick off the golden age **From Illness to Exodus** Jonathan Weinkle,2025-01-31 Being sick especially being chronically ill can feel like being trapped in a narrow place with no way out Even professional healers can feel trapped not knowing how to lift that person up One of the oldest stories in the world the exodus is a tale of escaping that kind of trap This book uses the story of the exodus to help understand illness and healing the narrow space and the way out From Illness to Exodus asks hard questions about illness loss and suffering questions that literally keep people up all night using the traditional Passover seder and its text the Haggadah as a template It invites the ill person and healer alike to address these questions with compassion curiosity and a mature faith that can handle the uncertainty of being human Drawn to You Aubrey Hoffmann,2025-05-14 She spent her life avoiding attention He lives to be seen But fate has other plans Ol via has always played it safe Quiet careful invisible that's how she likes it Working behind the scenes suits her just fine especially when facing her own reflection is already a harsh enough judgment But when a bold career move lands her a spot at the prestigious Werberg Publishing House her carefully built walls start to crack Leonardo thrives in the spotlight Charismatic confident and infamously unattached he's the kind of man who turns heads without even trying As Chief Photographer at Werberg he's used to capturing everyone's best angles except maybe his own when it comes to love When a chance encounter in an elevator sparks undeniable chemistry Ol via and L o are thrown into each other's orbit She's everything he never expected He's everything she never allowed herself to want Opposites attract Sparks fly But can two people from such different worlds really find common ground or will the heat between them burn out before it truly begins Novels and Tales: Henrietta Temple, a love story Benjamin Disraeli,1927 *Arthur's Home Magazine* ,1886
