The Invention of Printing Th. L. de Vinne, 1877

Calligraphy in the Arts of the Muslim World Anthony Welch, 1979 Calligraphy occupies the central place in Islam's visual culture yet Western art history has focussed far more on Islam's figural than on its calligraphic arts and there is little awareness of the art that pervades Islamic civilization This state of relative neglect has provided much of the initial impetus for this exhibition and this book each in its way is an attempt to create balance in our understanding of one of the world's great cultures But the subject is too vast and even too diffuse What is presented here is a small sampling of the aesthetic cultural and scholarly wealth available
