Zeno S Conscience:

Zeno's Conscience Italo Svevo,2015-03-18 Long hailed as a seminal work of modernism in the tradition of Joyce and Kafka and now available in a supple new English translation Italo Svevo s charming and splendidly idiosyncratic novel conducts readers deep into one hilariously hyperactive and endlessly self deluding mind The mind in question belongs to Zeno Cosini a neurotic Italian businessman who is writing his confessions at the behest of his psychiatrist Here are Zeno s interminable attempts to quit smoking his courtship of the beautiful yet unresponsive Ada his unexpected and unexpectedly happy marriage to Ada s homely sister Augusta and his affair with a shrill voiced aspiring singer Relating these misadventures with wry wit and a perspicacity at once unblinking and compassionate Zeno s Conscience is a miracle of psychological realism

Zeno's Conscience - Svevo Italo Svevo,2024-07-17 Zeno s Conscience is a novel presented as the fictional autobiography of Zeno Cosini an unreliable narrator who recounts his life story to his psychoanalyst The novel is structured around Zeno s attempts to quit smoking his relationships with his father and wife his business ventures and his extramarital affairs Svevo employs a stream of consciousness technique to delve into Zeno s psyche revealing his self deceptions rationalizations and contradictions Zeno s reflections on his life are marked by irony and humor and his unreliable narration adds layers of complexity to the story One of the central themes of Zeno s Conscience is the exploration of human irrationality and self delusion Zeno s repeated failures to quit smoking serve as a metaphor for his broader inability to control his impulses and understand his true motivations Svevo s portrayal of Zeno s inner life anticipates many of the themes and techniques later associated with psychoanalysis and modernist literature The novel also reflects Svevo s interest in the emerging field of psychoanalysis influenced by his reading of Sigmund Freud s works Svevo s depiction of Zeno s sessions with his psychoanalyst serves as a vehicle for exploring the complexities of human consciousness and the limitations of self knowledge

Naomi Lebowitz, 1978 *A Very Old Man* Italo Svevo, 2022-08-30 A newly translated collection of fiction by the influential Italian modernist continuing on his landmark work *Zeno's Conscience* *A Very Old Man* collects five linked stories parts of an unfinished novel that the great Triestine Italo Svevo wrote at the end of his life after the international success of *Zeno's Conscience* in 1923 Here Svevo revisits with new vigor and agility themes that fascinated him from the start aging deceit and self deception as well as the fragility fecklessness and plain foolishness of the bourgeois paterfamilias even as memories of the recent terrible slaughter of World War I and the contemporary rise of Italian fascism also cast a shadow over the book's pages It opens with The Contract in which Zeno's manager the hardheaded young Olivi expresses like the war veterans who were Mussolini's early followers a sense of entitlement born of fighting in the trenches Zeno by contrast embodies the confusion and paralysis of the more decorous although sleepy way of life associated with the onetime Austro Hungarian Empire which for so long ruled over Trieste but has now been swept away As always Svevo is attracted to the theme of how people fail to fit in It is they he suggests who offer a recognizably human countenance in a world ravaged by the ambitions and fantasies of its true believers
