Jennifer McGaha, 2024 The Joy Document is probing and uplifting both a celebration of a half century well lived and a meditation on what comes next The book contains fifty essays of varying length and explores spirituality aging women s empowerment identity and the practices of cultivating gratitude and radically reclaiming joy all while gently inspiring readers to find their own joy to imagine or perhaps re imagine their own best lives In The Joy Document almost anything can become revelatory an Earth Day Whole Foods errand Claire Saffitz s fruit cake recipe a harrowing ride in Twinkly Taxi an evening picnic at Dvorak s Symphony 8 cartwheels in the driveway a small dog with a big erection weekday morning gin shots blue ghost fireflies you name it From this post fifty perspective joy is both harder to come by and easier to find and once you begin really looking for it you can find it pretty much anywhere **Disaster Psychiatry** Anand A. Pandya, Craig L.

Katz, 2020-03-27 Disaster Psychiatry Intervening When Nightmares Come True captures the state of disaster psychiatry in the aftermath of the terrorist attacks of September 11 2001 This emergent psychiatric specialty which is increasingly separated from trauma and grief psychiatry on one hand and military psychiatry on the other provides psychotherapeutic assistance to victims during and in the weeks and months following major disasters As such disaster psychiatrists must operate in the widely varying locales in which natural and man made disasters occur and they must establish their role among the chaotic array of organizations involved in direct disaster response Editors Anand Pandya and Craig Katz have captured the challenge and promise of disaster psychiatry through first person narratives We hear from psychiatrists who have encountered disasters at various stages of their career and in widely varying social political and personal contexts Accounts of psychiatric involvement with adults and children during and after 9 11 have understandable pride of place in this collection But they are balanced by richly informative narratives about other domestic and international disasters Fraught with the drama attendant to the events they describe these essays delineate the dizzying array of challenges that confront the disaster psychiatrist They range from the intense emotional responses that are part of the aftermath of any disaster to the need to legitimize a psychiatric presence within diverse cultural and medical contexts to the subtle task of providing therapeutic boundaries at a time when all rules seem to be suspended Special attention is given to the daunting task of working with children whose parents are disaster victims What emerges from these testimonies is compelling documentation of skilled and compassionate psychiatrists at the outer limits of their specialty pursuing their calling into uncharted realms of therapeutic engagement The Shape of the Journey Jim Harrison, 1998 Here is the definitive collection of poetry from one of America's best loved writers now available in paperback With the publication of this book eight volumes of poetry were brought back into print including the early nature based lyrics of Plain Song the explosive Outlyer Ghazals and the startling correspondence with a dead Russian poet in Letters to Yesenin Also included is an introduction by Harrison several previously uncollected poems and Geo Bestiary a 34 part paean to earthly passions The Shape of the Journey confirms Jim Harrison's place among the most brilliant and essential poets writing today Behind the words one always feels the presence of a passionate exuberant man who is at the same time possessed of a quick subtle intelligence and a deeply questioning attitude toward life Harrison writes so winningly that one is simply content to be in the presence of a writer this vital this large spirited The New York Times Book Review An untrammelled renegade genius here s a poet talking to you instead of around himself while doing absolutely brilliant and outrageous things with language Publishers Weekly Readers can wander the woods of this collection for a lifetime and still be amazed at what they find Booklist starred review When the cloth edition of this book was first published it immediately became one of Copper Canyon Press's all time bestsellers It was featured on Garrison Keillor's Writer's Almanac became a finalist for the Los Angeles Times Book Prize and was selected as one of the Top Ten Books of 1998 by Booklist Jim Harrison is the author of twenty books including Legends of the Fall and The Road
