

The image features the BBC News logo centered on a stylized globe. The globe is rendered in a light gray tone with visible continents and is encircled by two thick, dark red, three-dimensional rings that appear to be rotating. A solid red square is positioned in the center of the globe, containing the text 'BBC NEWS' in white. The background is a light gray with faint, thin white lines forming a geometric pattern of triangles and polygons, some of which are labeled with text in a small, light gray font. The overall design is modern and professional, typical of a news organization's branding.

Introduction to Journalism Carole Fleming, 2006 An Introduction to Journalism examines the skills needed to work as a journalist in newspapers, television, radio and online. This book provides case studies as a guide to researching, stories, interviewing and writing for each medium as well as recording material for both radio and television. It offers a wide range of comments and tips on the best way to approach stories and includes interviews with journalists working on a variety of news outlets from the BBC to weekly newspapers.

Doctor Who-Guide 2/3 Compiled from Wikipedia pages and published by Dr Googelberg, 2012-08-07 Almost everything about the good doctor, his companions and travels, his enemies and friends.

Additionally, the actors etc. Part three contains all summaries of all TV episodes. Compiled from Wikipedia pages and published by Dr Googelberg.

Key Issues in Education and Social Justice Emma Smith, 2012-01-31 This excellent book considers the extent to which policy and practice, particularly in the UK, have led to a more equitable education system and ultimately to a fairer society. The ideas and arguments are extremely accessible, wide-ranging and well-informed. A welcome addition to the reading list and one that I can highly recommend.

Jane Bates, Programme Leader for Education Studies, Manchester Metropolitan University. Inequalities can be experienced in different forms from birth to school experiences to the many different modes of learning as we grow up. This book focuses on educational experience as a lifelong and society-wide issue. The author draws on research, policy and contemporary thinking in the field to provide a comprehensive guide to the educational inequalities that may exist and persist throughout an individual's educational course. Providing an international perspective on different ethnic, gender and social groups, the book covers a broad range of issues including theoretical, policy and research developments in the area, inequalities that may exist during the years of schooling, government policy beyond the school classroom. This book is essential reading for undergraduate students on Education.

Studies programmes It is also useful for students on Masters and Initial Teacher Education programmes Emma Smith is Reader in Education at the University of Birmingham Business World, 2007 *Contemporary World Television* Graeme Turner, 2004-06-26 What is happening today in the world of world television With intense commercialization and more open national markets along with technological convergence and greater concentration of ownership the international TV landscape is changing at a bewildering pace and in a host of different ways *Contemporary World Television* presents a unique overview of the global issues raised by these transformations in television It looks at how they have affected the public interest and society across the globe and how the role of television as a nation builder is experiencing erosion and evolution The book's host of international expert contributors also examine TV's handling of news and sexual content and its role in military conflicts As well they provide current assessments of how the global trends have diversely affected many different countries regions or language communities outside the Anglophone mainstream Fully illustrated the book also uses case studies and selected reading guides and thus provides a transparent and accessible but in depth introduction to central developments issues and concerns in contemporary world television **BBC Worldwide**, 1996 *National Journal*, 2005-07 **Macworld Special Issue**, 2005 Accompanying DVD ROM includes video tutorials system updates and free software *Discovering Computers* Gary B.
