Paperbound Books in Print 1995 Reed Reference Publishing,R5ference Reed,1995-12 Reclaiming Our Forgotten Heritage Curt Landry,2019-01-15 A timely and groundbreaking take on the roots of the Christian church and its place in the entirety of God s kingdom There is no better time than now to learn about and become firmly grounded within your spiritual heritage from the foreword by Perry Stone The early church was made up of Jewish and Gentile followers of Jesus and the church s culture was rooted in Judaism and a Jewish understanding of God s relationship to His people Over time however Christianity became increasingly more Roman than Jewish and the church lost its identity Rabbi Curt Landry s personal story is remarkably similar Born to a Jewish mother and a Catholic father Landry was put up for adoption and for more than thirty

years he had no understanding of his heritage his roots or who his parents were But when he discovered the truth of his story his life changed completely The key to a life of power and purpose is understanding who you are In this revelatory book Curt Landry helps Christians discover their roots in Judaism empowering them to walk in the revelation of who they really are and who they are born to be Reclaiming Our Forgotten Heritage reveals the mysteries of the church letting Christians grasp the power that comes from connecting with their true identity *Adult Education in the Church* Roy B. The Gap Between God and Christianity Thomas M. Stallter, 2022-02-15 What we fear most has ironically come upon us as Western individualists We are being controlled by the invisible forces of culture and they have come between God and us Silent but in the background of all we do and think its influence cannot be overlooked We condone and even encourage and champion the very things that create distance between our needs and God's goodness between our plans and his destiny for us between our weakness and his strength We have been deceived Not only have we created distance between us but we seldom free God from these cultural and personal expectations and let him speak for himself We have locked God into our system and in the end distracted by our needs for social and personal survival We must turn our eyes toward him open our ears to his voice and let him speak Forthcoming Books Rose Arny, 2001 School and Society, 1944
