are behind bars that doesn't make them any less human than everybody else. They have a right to live, a right to be forgiven, and a right to be accepted back into society. These individuals are called inmates while serving time, but once they have paid their dues and are set free, that name changes to ex-inmates and should eventually switch to citizens. Where society falls short, the church needs to pick up the slack and serve these citizens. And where the church falls short, society needs to step in and help these citizens. We cannot afford to let these ex-inmates live in a life cycle where they go in and out of jail, prison, and house arrest. We have to prove the statistics wrong. Society can provide programs to help these citizens reintegrate much more smoothly. The church can finally become what it was intended to be and provide a safe environment in which these restored citizens will live a life worthy of being called citizens and not return to old behavior and a life back behind bars.

Many of us didn't have a perfect childhood. But it's never too late or too early to transform into the parent you were always meant to be: grounded, present, intentional, compassionate, and confident. In *Parent Yourself First*, licensed marriage and family therapist Bryana Kappadakunnel argues that the secret to successful parenting is to unlearn the wounded patterns you grew up with and create new ways to connect with your child. Parenting from a place of connection may feel unlike anything you experienced as a child or what you thought parenting was meant to be. But the results can be remarkable and transformative. As the founder of the popular Conscious Mommy community on Instagram, Facebook, and TikTok, Kappadakunnel explains that your upbringing is probably impacting your parenting style in ways you don't even fully recognize, from how you manage your own emotions to how you connect with your kids in their vulnerable moments. In *Parent Yourself First*, she shares powerful stories from the families she's counseled and practical tools for managing common parenting woes like tantrums and defiance. Her promise: You can break free of past patterns that no longer serve you and liberate your soul from old traumas and wounds. Everyone has baggage. But it's your responsibility to make sure your baggage doesn't become your child's problem. Healing yourself allows you to truly connect with your child, understand their needs, and guide them to live the happy, authentic life that they deserve.      North Carolina Reports North Carolina.
