Veronica Harper was ready to let bygones be bygones. She'd spent enough years fighting tooth and claw to know that nobody won in a drag out brawl. It was better for all parties to come to the peace table. But being the leader of a Bear Shifter Clan meant many things, the most important of which was to be the kind of leader that the rest of the Clan would follow. That meant never losing face. Even if the person you're staring down is a handsome hunk with more charm than he realizes. Slade Walker knew things were tense. This Clan rivalry was close to spilling into a war and he didn't know how many casualties would be on each side. Too many, surely. But these women just wouldn't leave his Clan alone. From the problem with the hives to the fires and now this someone had to make it clear to them that this was unacceptable. He hoped this would be a simple sit down and parley, but as soon as he laid eyes on their gorgeous leader, he knew he was in over his head. Bearly Mended (BBW Bear Shifter Bodyguard Hero Romance) Becca Fanning, Doctor Zoe Flynn has always played it by the books. While her friends were out partying in college, she hit the books. In med school, when the other students were obsessed with drama, she was obsessed with learning the best ways to treat her future patients. Now as a doctor, Zoe was supremely confident in all the training she had and all the methods she'd learned. But looking over this Shifter patient who just came in, something told her that nothing in her training would prepare her for what was about to happen. Russ McGregor was the best back alley doc Big Paw Security has ever had. In a Clan of Bear Shifters, he knew sometimes you had to re-break a bone so that it could heal properly. Nothing made him squeamish and he never doubted his gut. Your eyes could fool you. Your nose could fool you. Your heart could fool you about twenty times a day if you let it. But your instincts would never lead you astray. And his instincts were telling him this beautiful doctor in front of him was someone who would get into a whole lot of trouble and need a whole lot of help.
