Beat Drums Walt Whitman:

    <u>Beat! Beat! Drums!</u> Walt Whitman,2015-12-12 Walter Walt Whitman 1819 1892 was an American poet essayist and journalist A humanist he was a part of the transition between transcendentalism and realism incorporating both views in his works Whitman is among the most influential poets in the American canon often called the father of free verse Whitman s work breaks the boundaries of poetic form and is generally prose like He also used unusual images and symbols in his poetry including rotting leaves tufts of straw and debris He also openly wrote about death and sexuality including prostitution He is often labeled as the father of free verse though he did not invent it Whitman wrote in the preface to the 1855 edition of Leaves of Grass The proof of a poet is that his country absorbs him as affectionately as he has absorbed it He believed there was a vital symbiotic relationship between the poet and society This connection was emphasized especially in Song of Myself by using an all powerful first person narration As an American epic it deviated from the historic use of an elevated hero and instead assumed the identity of the common people Leaves of Grass also responded to the impact that recent urbanization in the United States had on the masses   **Drum-Taps** Walt Whitman,2016-09-18 Drum Taps is a collection of poetry by American poet Walt Whitman The book which was written during the American Civil War was first published in 1865 Excerpt from Wikipedia   *Drum Taps* Walt Whitman,2015-11-24 A stunning and elegant 150th Anniversary Edition of Whitman s celebrated Civil War poems accompanied by moving photographs and artwork shedding new light on this tragic but significant chapter in American history Drum Taps is the complete Civil War poem collection by Walt Whitman including the celebrated Oh Captain My Captain and augmented with Whitman s essays from the period on subjects such as Secession Abraham Lincoln working in the Civil War hospitals and the assassination of the president For the first time ever each poem is set on a single page and augmented with stunning artwork from the period bright rich full color engravings from Currier the brooding and detailed photography of Alexander Gardner and Matthew Brady watercolors from the battfield by Winslow Homer and other famous artists and classic photographs and art from America s richest collections including the Library of Congress the National Gallery the George Eastman House and many other collections With gorgeous old fashioned hot type beautifully restored period artwork and an authoritative introduction by Civil War historian and Pulitzer Prize winner James McPherson this is the richest edition of these moving and thoughtful poems by America s greatest poet ever published
