

Blessed are the poor in spirit; for theirs is the kingdom of heaven.

What does it mean to be "poor in spirit?"

When you receive the Kingdom of Heaven you get:

What is NOT found in the Kingdom of Heaven?

Happy are those who trust in God and are humble enough to ask for His guidance in everything; for they can accept the rewards of living closely with God.

Guide Ray Cureton, Marlin J. Ellsworth Kalas, 2010-09-01 Using his method of approaching Bible passages from an unusual angle or a unique starting point J Ellsworth Kalas presents new insight into the beatitudes Jesus blessings from the Sermon on the Mount The book contains sessions and a study guide for personal use or for use in groups This book continues Kalas popular series of Back Side books The beatitudes form the introduction to what is no doubt the best known sermon ever preached We call it the Sermon on the Mount see Matthew 5:7 and of course it was preached by Jesus When we start examining the beatitudes we realize that in Jesus view happiness is not something we get by pursuing it indeed almost the contrary We are told that we will be happy or blessed if you prefer in what appears to be the near antithesis of happiness If we choose to live by the beatitudes we make a declaration of dependence We put ourselves into bondage to such things as poverty of spirit purity of heart and a readiness for persecution This isn't the sort of product they advertise on prime time television indeed I'm not sure that it appears overly often in our prime time worship services That is because this is not a spiritual quick fix It doesn't come in a five easy lessons capsule Instead it is largely contrary to the way we live and to the way we think Before we go any further however let me say that over the past twenty centuries a very great many people have found in these beatitudes a depth of peace and joy beyond anything our common culture promotes and seeks But it isn't easy and it isn't obvious There's nothing easy or soft about this kind of dependence Rather it is an attitude that demands a huge store of courage It's the kind of dependence the trapeze artist displays when he or she lets go of the bar and with no safety net awaiting flies off into space trusting Welcome to the beatitudes And may you be eternally happy beginning now adapted from the introduction **Set Apart** Jennifer Kennedy Dean, 2015-07-06 In this six week Bible study through the beatitudes author Jennifer Kennedy Dean examines the promise of blessedness in Christ's Sermon on the Mount Unlike a circumstance driven emotion such as happiness blessedness is eternal and grounded in the reality of Christ in you You are able to live in the state of blessedness that God has created for you when you discover the key to true holiness a call to freedom and joy We were made for holiness

and this core concept of the beatitudes is accessed through a praying life a life lived in the present tense power of God It is only when we continually pursue holiness that blessedness comes and we discover the power and fulfillment of the promise of God An accompanying DVD and online resources are available to enhance the study experience *The Unbelievable Beatitudes* Lori Peckham, 2015 The Beatitudes Rose Publishing, 2013-08-31 Packed with charts simple summaries and personal reflection questions this easy to understand pamphlet provides an overview of each beatitude and shows how God's blessings differs from the world's Most people have a desire to be happy But what does true happiness look like It's easy to fall for a counterfeit or temporary version of happiness offered by the world Find out what Jesus says about true happiness and blessedness in the Beatitudes For each Beatitude this pamphlet covers What does it mean Related ScriptureLife applicationThe beatitudes aren't commands on how to live they are illustrations of what living for God looks like From meekness to purity enjoy digging deeper into the meaning and practical application of each beatitude as you go line by line through Jesus Sermon on the Mount Key Features of the Beatitudes Bible Study Pamphlet Features 10 quick reference charts For each beatitude it includes Simple summaries of its meaning Find out what it means to be poor in spirit meek righteous pure in heart and more Comparison chart showing What the World Says to What Jesus Says about each beatitude Personal reflection questions on each beatitude These thought provoking questions will challenge and encourage your walk with God For example In what areas of your life are you trying to make it on your own instead of asking God for help Get a Clear Understanding of All 9 Beatitudes Jesus beloved teachings on finding hope and joy offer a true picture of God's blessings for believers Understanding the Beatitudes will help Christians learn how to live the Kingdom life Those who follow Jesus will be inspired and challenged to live out these attributes in contrast to worldly values Poor in spirit Mourning Meekness Righteousness Mercy Purity in heart Peacemaking Persecution Perfect to use as a handout Bible study for individual study 1 on 1 discipleship small groups devotions New Believers class or adult Sunday school class

Beatitudes, Not Platitudes Paul Louis Metzger, 2018-03-22 Beatitudes Not Platitudes shows that the Beatitudes are not overused well worn answers to the question What would Jesus do Rather they are undervalued and hardly touched claims that transform our destinies More than spiritual nuggets for personal devotion practical advice or propositions to be believed the Beatitudes in Matthew 5 envision and entail a reorientation of the good life in view of Jesus kingdom Jesus teachings reveal to us that living our best purpose driven life now involves dying to self and the world system and dying for our enemies Ideal for group study this series of meditations on each of the Beatitudes followed by cultural reflections and study questions helps to bridge the gaps between personal devotion and societal revolution the academic and the practical the ancient and the contemporary All of us want to be happy to be well and blessed and esteemed with honor However we look for happiness wellness blessing and honor in different places and with mixed results This book helps us reimagine the good life by taking a fresh look at the Beatitudes as citizens of Jesus ever new kingdom order Junior Quarterly | Teacher Manual Fall Quarter
