Beautiful Darkness Comic:

Beautiful Darkness Kerascoët, Fabien Vehlmann, 2018-10-30 A group of little people find themselves without a home in this horror fantasy classic Newly homeless a group of fairies find themselves trying to adapt to their new life in the forest As they dodge dangers from both without and within optimistic Aurora steps forward to organize and help build a new community Slowly the world around them becomes more treacherous as petty rivalries and factions form Beautiful Darkness became a bestseller and an instant classic when it was released in 2014 This paperback edition of the modern horror classic contains added material preparatory sketches and unused art While Kerascoët mixes gorgeous watercolors and spritely cartoon characters Fabien Vehlmann takes the story into bleaker territory as the seasons change and the darkness descends As with any great horror there are moments of calm and jarring shocks while a looming dread hangs over the forest

Our Beautiful Darkness Ondjaki, 2024-09-03 A blackout leads two teens to discover the intimacy and vulnerability that can only be shared in darkness in Our Beautiful Darkness a fully illustrated YA novella from celebrated Angolan author Ondjaki and illustrator António Jorge Gonçalves Translated from Portuguese by Lyn Miller Lachmann The light goes out suddenly And in this absence of light a pair of teenagers bare their souls Into the warm silence of the night they share a conversation filled with their stories and dreams and maybe even a first kiss Set against the backdrop of the civil war that ravaged Angola in the 1990s this book weaves the country's history with a teenage boy's family stories But when a power outage shrouds the neighborhood in darkness everyday realities fade away As the boy and a girl sit talking in the backyard memory gives way to imagination and vulnerability and the space between them becomes charged with emotional electricity Their resulting conversation is both a meditation on the storytelling impulse and a gripping narrative of first love that through its particulars ascends to the universal

The Horror Comic Never Dies Michael Walton, 2019-02-14 Horror comics were among the first comic books published ghastly tales that soon developed an avid young readership along with a bad reputation Parent groups psychologists even the United States government joined in a crusade to wipe out the horror comics industry and they almost succeeded Yet the genre survived and flourished from the 1950s to today This history covers the tribulations endured by horror comics creators and the broader impact on the comics industry The genre's ultimate success helped launch the careers of many of the biggest names in comics Their stories and the stories of other key players are included along with a few surprises

Latinx Comics Studies Fernanda Díaz-Basteris, Maite Urcaregui, 2025 Latinx Comics Studies considers the role of comics and graphic narrative in picturing the rich realities of Latinx communities It brings together groundbreaking critical essays practical reflections original and republished short comics to explore how comics by and about Latinx peoples creatively and conceptually experiment with the very boundaries of Latinx

Intersectional Feminist Readings of Comics Sandra Cox, 2021-09-20 Intersectional Feminist Readings of Comics collects several theoretically informed close reading of comics and graphic literature that apply an intersectional feminist lens to the interpretation of

several contemporary North American graphic narratives The essays examine use a range of interpretive lenses drawn from theoretical models used in contemporary aesthetics media studies and literary criticism to analyze mainstream figures like DC's Catwoman and Marvel's Miss America and Doctor Strange to contextualize historical and speculative comics by Indigenous American illustrators and to explicate autobiography by critically lauded Jewish queer and female cartoonists In the first half of the book the chapters examine ways in which superhero comics and the cinematic and televisual adaptations thereof reify revise and reject gender parity systemic misogyny and heteropatriarchy through visual and textual rhetorics of representation In the second part of the volume the chapters look at the ways that feminist interpretive practices illuminate the radical work undertaken by cartoonists from historically marginalized communities in the U S and Canada Across both halves readers will find applications of longstanding feminist critical traditions like ecofeminism as well as new intersectional extrapolations of narratology autobiographical studies and visual rhetoric which have been applied to the selected comics in insightful and innovative ways This is a lively and varied collection suitable for students and scholars in gender studies cultural studies media studies and literary studies
