Burleigh,2025-10-31 Encounters with Jesus Timothy Keller,2015-03-03 New York Times bestselling author of The Prodigal Prophet Timothy Keller explores how people are changed by meeting Jesus personally and how we can be changed encountering him today The people who met Jesus Christ in person faced the same big life questions we face today Like most of us the answers handed down to them didn t seem to work in the real world But when they met Jesus things immediately started to change for them It seems he not only had the answers he was the answer In Encounters with Jesus Timothy Keller shows how the central events and meetings in Jesus life can change our own lives forever Keller s work belongs on the bookshelf of every serious Bible student Examiner Keller has mined the gold from these texts of Scripture and any Christian is bound to have their minds expanded and hearts stirred Grace for Sinners **One Encounter** Dr Vince Rizzo,2025-07-25 One moment in His presence can change everything In a world full of pain confusion and spiritual hunger One Encounter delivers the clear and powerful truth of the Gospel This short yet anointed book introduces readers to the love healing and salvation of Jesus Christ in a deeply personal way From brokenness to breakthrough from guilt to grace each chapter is crafted to lead the reader step by step into a life transforming decision to follow Jesus Whether you re searching for hope giving this to a loved one or using it for outreach this book is designed to be more than information it s an invitation Includes a clear Gospel message Full page salvation prayer Real life testimony snapshots *Face to Face with Jesus* Norm Dion,2013-12-11 Would you like to meet Jesus face to face Cell phones text messaging instant messages and social networks have become the preferred methods of communication for a whole generation But can these technologies replace an old school face to face encounter for building relationships This was a challenge a youth group gave me as I struggled to embrace their methods for myself The claim was that today s totally connected world would have enabled Jesus to be more effective in delivering His message The premise inspired me to do some research and try to understand the impact of face to face encounters with Jesus on the lives of people in New Testament times The results were startling This book examines seven life changing one on one encounters with Jesus from the Gospel of John The experiences of these people reveal how to recognize Jesus when we meet Him how our lives are transformed when we do recognize Him how to live by faith why we fail and how we are reconciled after we have fallen As you read be prepared to become Face to Face with Jesus *Close Encounters with Jesus* Bill Nichols,2012-07-11 Close Encounters with Jesus Can you imagine what it must be like to stand in the presence of God The Gospels give us stories of that very thing All through the Gospels people found themselves face to face with God in the form of Jesus Christ As the encounters developed the people found themselves confronted with their needs and desires Jesus was ready to do something about their needs He was not only ready but he had the authority and

power Lives were changed by these encounters with Jesus The people who encountered Jesus were asked to believe and let their lives be changed Not all did that As we read the stories of encounters with Jesus we may find our own stories in there somewhere As Jesus moved through the days of his ministry the blind were able to see The lame were able to walk People gave up their old ways for new life The hungry ate People who were dead were given life As we read these stories we can ask ourselves a question Does Jesus still do these things It is up to you to read about the encounters and decide for yourselves
