I am Dark.*** Hollie Belle, 2024-08-28. Here in this book we want to dive even deeper into who you truly are. What does your Soul truly want? Only you can know that. Because each Soul has a different purpose in truth, each Soul has its own agenda. And as much as you may love your family and friends, each of you has your own path. In fact, your Soul came here to have a specific experience. Therefore, everything you have experienced up until this point in your life was meant to happen. Furthermore, your Soul carefully selected these experiences. As a result, it has led you here where you are now standing on a precipice. Until now you were asleep. Completely unaware of the miracle you are. But we are here to help you get in touch with that part of you. Here you can begin having that conversation. So take a deep breath in. Relax. Know that you are meant to be here. Trust your heart. From the moment you took your first breath I was here with you. And when you take your last breath I will still be here. In the meantime, enjoy this life. Knowing that when that last breath comes I will be waiting for you with open arms. ***The Second Season of Growth*** Craig Childress Johnson, 2017-03-10. Advice given when buying plants or trees is: Don't expect any blooms the first year. Fruit trees may require three years. I planted a slim brown stick in my yard and got nothing the first year except a thin brown stick with a few leaves on it. During its second season of growth and beyond that brown stick grew to 7 inches in diameter and now produces wondrous 20 foot pink clouds each spring. In an ideal world we learn lessons the first time around. So often as with daffodils and cherry trees we need more time to get it. Winter, incendiary summer, a few storms and unexpected late frost toughen us, giving us confidence to face whatever life has for us. We can then bloom where we are planted. We often don't have choices about challenges life gives us but we have free will in deciding how to respond to them. We can embrace the One who gives Wisdom to live life abundantly. May these vignettes inspire you to find pearls of learning and wisdom to be harvested from the depths of your own life. ***Yoga Journal***, 1983-05.
