Manuale di letteratura e cultura inglese Lilla Maria Crisafulli, Keir Elam, 2009 Uncanny Perspectives in Literature and Culture Gabriele Biotti, I. Vinitha Chandra, Nacera Haouchine, 2024-09-30 This collection of essays aims to analyse the uncanny as a concept developed in the field of the arts from a variety of perspectives axed in the literary field in the media context and in film studies with references to contemporary thought The book aims to provide readers with a methodological updating on this psychoanalytic concept starting from its basic rethinking under the light of the different cultural backgrounds of the authors whose essays are collected The book s specific focus is in the research on the many faces the uncanny took in different experiences forms of writing ideas of art theories discourses and experiences in creation This shows still today not only the concept s richness in defining our contemporary cultural context but also its plasticity and its identity of notion hinge between eras ideas of representation and forms of writing of various types **The Reception of Robert Burns in Europe** Murray Pittock, 2014-06-19 Robert Burns 1759 1796 Scotland s national poet and pioneer of the Romantic Movement has been hugely influential across Europe and indeed throughout the world Burns has been translated seven times as often as Byron with 21 Norwegian translations alone recorded since 1990 he was translated into German before the end of his short life and was of key importance in the vernacular politics of central and Eastern Europe in the nineteenth century This collection of essays by leading international scholars and translators traces the cultural impact of Burns work across Europe and includes bibliographies of major translations of his work in each country covered as well as a publication history and timeline of his reception on the continent *Theatermania in Eighteenth-Century Europe* Sonia Bellavia, 2023-04-27 The group volume distinguishes itself by its multidisciplinary comparative approach and by the network of relationships it weaves between the various European languages and cultures The study takes shape from its different viewpoints and in its diverse contexts to chart a detailed historical conceptual map of the basic role theater played in forging the modern European consciousness The thematic core of theatermania lay in the authentic theatrical passion that manifested itself in different ways from one country to another throughout the 18th century While the aesthetic social and political value of theater took a variety of forms its central feature was the privileged place it gave to collective and individual social revolutions phenomena that could be defined as upheavals of the collective imagination which found in theater a source of nourishment mediation or control The volume offers not just a series of historical theatrical studies but a view of history that foregrounds the passions that were regularly sparked by theater It adds an essential feature to the profile of the century that redefined the role and importance of theater and that led to its full re evaluation in the Romantic age **The House of Fiction as the House of Life** Francesca Saggini, Anna Enrichetta Soccio, 2020-05-15 In recent years the interest in the house has grown irresistibly to the point that in many ways houses seem to be situated at the very core of the creative artistic and cultural domains of contemporaneity Their presence sprawls across the media from magazines to TV

programmes and across the globe possibly because as repositories of the human houses have a long standing and profound connection not only with men and women but at a deeper level with the ways of representing man's world across its declinations of gender class and race Houses the perennial ubiquitous and silent background to our daily lives could many a tale unfold the tales of their inhabitants and in their relationships with others of the times they lived in of their configurations of the world as well as the visions and nightmares of the artists who created them This collection offers a comprehensive and transdisciplinary look at the paper houses of English Literature in the eighteenth and nineteenth century Among the configurations addressed the authors investigate the domestic spatialization of authority gendered houses narratives of household construction and deconstruction exotic mansions fin de siècle habitats haunted edifices and houses in detective and Gothic fiction

The relentless body. L'impossibile elisione del corpo in Samuel Beckett e la noluntas schopenhaueriana Orlandini, Lorenzo, 2014-12-31 L'affermarsi prepotente del corpo con i suoi istinti e le sue pulsioni è uno sforzo teso a sopprimere quella stessa spinta questa potente dialettica segna in maniera profonda le opere di Beckett e si fa cruciale riflesso della più generale tensione tra una vana attesa della fine e la necessità di andare avanti L'indagine ravvicinata dei testi suggerisce uno speciale legame con il pensiero di Arthur Schopenhauer rivelando in particolare la contiguità tra il concetto di noluntas e la ricerca da parte di molti personaggi di Beckett della will lessness un peculiare stato di quiete e astrazione dalla realtà Partendo da tali osservazioni questo studio indaga il tema del corpo all'interno della poetica di Beckett soprattutto alla luce del suo rapporto con la teoria della volontà schopenhaueriana
