Building Better Families Matthew Kelly,2008 Insights and everyday strategies for transforming the family into what it should be a place where each of us can become the best version of ourselves    **Building Better Families** Matthew Kelly,2008-02-26 For more than a decade Matthew Kelly has been traveling the world inspiring people to become the best version of themselves During this time he has been amazed at how regularly he is asked How do I encourage my children to embrace this message How does your message apply to a family Now for the first time Kelly shares with us remarkable insights and sensible everyday strategies for transforming the family into what it should be a place where each of us can become the best version of ourselves Beginning with an exploration of the changing face of the family in our culture Kelly sets every reader at ease by explaining A family is not what we think a family should be or what we hope to have or should have or what would be ideal a family is what we actually have A family is the one we ve got Nor can a family ever be perfect he goes on to explain Perfect families exist only in our minds and it is these imaginings that are very often the enemy of our ability to enjoy the wonderful family we already have or might have if we made it just that little bit more of a priority In Building Better Families Kelly explores important issues by raising evocative questions What makes a successful parent Do you realize that your children are in the middle of a cultural war What are the five things children really need Are you asking your children the right questions What are you teaching your children about work money food exercise body image and sex What are the priorities of your family culture Every page of this book is filled with examples that can be applied to your daily experience of parenting and family while at the same time illuminating the broader and deeper significance of family for society and the future of humanity The family is at once a deeply personal experience and the cornerstone of all great societies Matthew Kelly tells us Allow this book of classic wisdom and practical insight to help you build a better family From the Hardcover edition

**All Things New** Erin McCole Cupp,2021-05-07 It s time to break the cycle Not every family is the perfect model of Catholic family life Some of us approach parenting still wounded by childhood experiences that were less than ideal When we start our own families at best we feel a bit unprepared and at worst we feel paralyzed with fear that we will repeat our parents dysfunctional abusive behaviors In All Things New Erin McCole Cupp draws on her own and others experiences to discuss how to develop a joyful family life when our own experience of being parented was damaging Erin wrote this book for moms and dads who want to parent better than they themselves were parented Drawing on the Holy Family as the model of family life and distilling practical lessons from the Two Greatest Commandments and the Beatitudes All Things New shows readers that while change isn t easy God has given us all the ingredients we need to create a holy joyful family **ABOUT THE AUTHOR** Erin McCole Cupp is a wife mother and lay Dominican She cohosts the monthly YouTube series Sabbath Rest Book Talk and writes the monthly Adventures of a Rosary Family column at CatholicMom.com Get to know Erin and her books at [erinnmccolecupp.com](http://erinnmccolecupp.com)    **Man to Man, Dad to Dad** Brian Caulfield,2019-03-25 This collection of
