Who's who in American Law ,1990 **Fall from Grace** Nathan Daniels,2014-09-03 Fall from Grace started as a book about drug abuse and gradually formed into a story about a lost adopted child who responded to the world with destruction For some reason and as far back as I can remember I've always felt hard done by or resentful Maybe it's because of the adoption but even as a young child I was angry and destructive I broke everything I got and to be honest I behaved like a delinquent This behavior continued and progressed until that fateful day when I first tried drugs Drugs and alcohol became the solution to an unnamed problem and eventually developed into a life threatening obsession that very nearly put me six feet under Fall from Grace is mostly factual some of the instances are from distorted memories and in that respect the story is as true as my memories are and maybe that isn't the most reliable source but hey it's done and it's my experience of what I went through So enjoy *Fall from Grace* Joe Broderick,1992
