*Teaching Strategies for the Social Studies* James A. Banks, Ambrose A. Clegg, 1977      **The Pedagogy of Pop** Edward Janak, Denise F. Blum, 2012-12-15 Media competes with public schools in terms of student engagement and time However the two needn't be mutually exclusive The Pedagogy of Pop Theoretical and Practical Strategies for Success discusses a variety of strategies and approaches for using social and mass media as tools through which teachers might improve schooling While there is a vast body of literature in this field editors Edward A Janak and Denise Blum have created a text which differs in two substantive ways scope and sequence In terms of scope this work is unique in two facets first it presents both theory and practice in one volume bridging the two worlds and second it includes lessons from secondary and postsecondary classrooms allowing teachers on all levels to learn from each other In terms of sequence The Pedagogy of Pop draws on lessons from both historical and contemporary practice The introductory section of Janak and Blum's collection presents a pair of papers that use somewhat different approaches to examine the historical roots of contemporary critique Part I presents a series of chapters designed to provide guidelines and theories through which educators on all levels can think about their practice focusing more on the why of their approach than the how Part II presents a more hands on approach by sharing a variety of specific strategies for incorporating pop culture in all its forms technology music television video games etc in both secondary and postsecondary classrooms The conclusion shows the praxis of teaching with popular culture presenting a counterpoint to current thinking as well as a case study of the best of what can happen when popular culture is applied effectively      *Resources in Education* ,2000      The Sociological Perspective Scott G. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
