The Book of American Wars (Classic Reprint) Helen Nicolay, 2017-12-16 Excerpt from The Book of American Wars The United States is a country dedicated to freedom and to peace Yet first and last it has been called upon to do a deal of fighting and has done it well This volume does not pretend to go into details It does not even touch upon the longest of all our wars the one that continued intermittently for over two hundred and fifty years between hostile Indians and white men who were not always blameless It is an attempt to tell in a few words and in broad outline why our principal wars were fought and how to point out how one American war has differed from another in glory and to Show that wars like mountain ranges or human beings have personal characteristics of their own About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Spanish-American War (Classic

Reprint) R. A. Alger, 2017-10-15 Excerpt from The Spanish American War IT has not been my purpose in the preparation of the manuscript of this book to write a full history of the war with Spain on the contrary it has been to place on record some of the prominent facts connected with the organization equipment and movements of the army together with the administration of the War Department with the hope that such statement will serve a useful purpose as an example should another crisis of the same kind occur About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Synopsis of the American War (Classic Reprint)** Joshua R.

Balme, 2017-09-17 Excerpt from Synopsis of the American War This is a strange world and there are times when some Christian professors act more strangely than men of the world or we should not find amongst our enemies those on whom we have been wont to rely or towards whom we have cherished the highest veneration and esteem About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of

Copeland, 2015-07-09 Excerpt from A Complete History of the Spanish American War of 1898 It has been said that no country's public policy is actuated by unselfishness or the dictates of humanity To a certain extent 1 this is true since mutual jealousy and distrust among nations render such a course difficult and well nigh impossible But the United States which struck the blow for liberty in 1776 and for unity in 1861 next smote in the sacred name of humanity The cries of the dead and dying on her doorsteps fell no longer on deaf ears Disavowing all intention of adding the island of Cuba to our domain we made war upon the wickedest nation that claims to be civilized and we waged it in behalf of a weak but gallant people who needed our help Not since the world began has a more righteous war been prosecuted bravely to a triumphant conclusion It is important that all the features of this struggle should be understood About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The*

American People and the War (Classic Reprint) Charles William Eliot, 2018-02-02 Excerpt from The American People and the War When one begins however to reflect on the probable causes of the sudden lapse of the most civilized parts of Europe into worse than primitive savagery he comes at once on two old and widespread evils in Europe from which America has been exempt for at least one hundred and fifty years The first is secret diplomacy with power to make issues and determine events and the second is autocratic national executives who can swing the whole physical force of the nation to this side or that without consulting the people or their representatives About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing

MUNSTERBERG,2016-09-23 Excerpt from The War and America

This book discusses the essential factors and issues in the European war and their meaning and import for America The hour for an im personal account of the war has certainly not yet come and may not come for a long while What our time can contribute is the re ection of the great war in the minds of individuals A story of memories and impressions of fears and hopes has to day more inner truth than any history of the struggle apparently written with an historian s coolness This diary therefore views the events as they unfold themselves from week to week from the angle of personal experiences About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Stories of Americans in the World War (Classic Reprint) William H. Allen,2015-06-29 Excerpt from

Stories of Americans in the World War These stories of Americans in the world war were first written by doers see ers and seers Because each writer had a message of entertainment or inspiration the original stories and poems could not be condensed without omitting valuable lines Yet for an intermediate reader of practical length and desired variety it was necessary to condense sometimes by omission sometimes by rewriting The publishers and copyrighters of the stories and poems as they originally appeared showed their interest in the purpose of this reader by kindly permitting the use of their material here Instead of naming our collaborators in this prefatory acknowledgment we name them and their publications after the stories and poems in the hope that readers will thus more easily associate any pleasure derived from this book with the audience which first enjoyed each story or poem and with the publisher and author to whom appreciation is due About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally

America and the World War (Classic Reprint) Theodore Roosevelt, 2017-10-30 Excerpt from America and the World War This is not right It is not just to the weaker nations of the earth It comes perilously near a betrayal of our own interests In his laudable anxiety to make himself acceptable as a mediator to England and especially to Germany President Wilson loses sight of the fact that his first duty is to the United States and moreover desirable though it is that his conduct should commend him to Germany to England and to the other great contending powers he should not for this reason forget the interests of the small nations and above all of Belgium whose gratitude can never mean anything tangible to him or to us but which has suffered a wrong that in any peace negotiations it should be our first duty to see remedied About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Americans in the Great War, Vol. 2 (Classic Reprint) , 2015-06-30 Excerpt from The Americans in the Great War Vol 2 The world already knows of the undying glory achieved in the Great War by the American Soldiers but perhaps less is known about the historic ground over which they fought The purpose of the present volume is more to describe for the benefit of the tourist that section of France where the battle of Saint Mihiel raged than to dwell on the splendid achievements of the brave troops from across the seas who took that ancient stronghold and thus opened the way to Metz At the same time it is fitting to remind the reader that at Saint Mihiel the Americans liberated over 150 square miles of French territory took over 15 000 German prisoners and captured upwards of 200 guns President Poincare in a message to President Wilson expressed in the following words the feelings of France regarding the glorious achievements of the American troops I congratulate you Mr President on a victory which has been completed so brilliantly General Pershing's magnificent divisions have just liberated with admirable dash cities and villages of Lorraine which have been groaning for years under the yoke of the enemy I express the warmest thanks of France to the people of the United States Marshal Foch also expressed the greatest possible admiration for the way the American troops fought their way to the great victory at Saint Mihiel In describing the battle Marshal Foch said This was where the Americans for the first time showed their worth This is where we were able to judge of these admirable soldiers strong in body and valiant in soul In one swoop they reduced the famous salient which during so long we did not know how to approach In closing this brief introduction the publisher wishes to say that it would have been an easy matter to fill the pages following with many high sounding phrases and verbose descriptions but it has been thought better to adhere to the facts they speak for themselves and to furnish the tourist as briefly as possible with an historically correct account of the great victory of Saint Mihiel About the Publisher Forgotten Books publishes

The Americans in the Great War, Vol. 1 (Classic Reprint) Pneu Michelin,2018-07-30 Excerpt from The Americans in the Great War Vol 1 When the United States of America declared war on Germany it was not known exactly what shape their intervention would take if their help would be limited to aiding the Allies financially and industrially and tightening the blockade or if they would take an active part in the military operations Opinions on this point were much divided and if many were in favour of an unrestricted participation in the war others were for a more moderate programme About the Publisher Forgiven Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgiven Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The American Spirit Franklin K. Lane,2018-01-17 Excerpt from The American Spirit Addresses in War Time Our pride is that America is playing a noble part in the life of the world Not a little selfish shrewd part nor even a strong and ambitious part but a high minded generous a noble part Our one fixed doctrine of international policy is founded in a fine chivalry and all the resources of this conquered continent are the common property of all peoples Indeed it is not going beyond the truth to say that When we look deeply into the American heart we Will surely and always find a living and growing sense of trusteeship underlying our rights of possession We see superficialities Which make for doubt sometimes We swing off into eddies and by currents and are led to believe that the main stream is a myth that after all this is a world for getting and getting any way one can for doing and doing what at the time is profit able But this is a humor of growth The mood does not last About the Publisher Forgiven Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgiven Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
