Bulgakov's Apocalyptic Critique of Literature: An eventful history Derek J. Hunns, 1996 This study integrates Bulgakov's Jerusalem Narrative with all the themes of The Master and Margarita to discover what the author believes is Bulgakov's message in the novel. It explains the content and function of the four Jerusalem Chapters and shows that they are an essential part of the novel's theme. The study makes the chapters that rework the Gospels more intelligible for English readers.

SOUL HANGING BY A SILVER CORD Lamont-James Belisle Escoe Jr., 2025-08-06 On the 28th of October yours truly had been a participant in a meeting with other exorcists. There was discussion about being better at the expelling of omens. My mentor and other key specialized ministers were present. One of the members of this demon expelling group shared powerful insight about their coming to receiving Christ as their Lord and Savior. As we were engaged in the topic, this member shared how things within their life went from darkness to light. The member shared and testified about the delicate interval of time in life when the individual themselves did not know or even understand totally who Jesus Christ was. Some of you like me will have a general knowledge of God in a family upbringing that had been taught to us; however, not all families are linked with Godly things enough for their youth to have the capacity to distinguish from what is evil and what is not evil. The Downside Review, 1969 *Books in Print*, 1982 **Apocalyptic Ecology** Micah D. Kiel, 2017-08-03 The author of the book of Revelation struggled as we do today to live out a Christian faith in the context of an empire that trampled and destroyed the earth and its creatures. In this book, Micah D. Kiel will look at how and why Revelation was written along with how it has been interpreted across the centuries to come to an understanding of its potential contribution to a modern environmental ethic. While the book of Revelation is replete with images of destruction of the earth, Kiel shows readers through Revelation's ancient context a message of hope that calls for the care of and respect for the environment. Jewish Quarterly ,2003 *The Apocalyptic Heart* Ron Browning,2015-05-19 Is the book of Revelation the biblical book for the twentieth first century due to the growing interest in apocalyptic A fresh approach is needed to help access its symbolic mysteries an approach that avoids fundamentalist literal interpretation and the tendency in liberal thinking to doubt that God will act decisively in the future in some way These meditations take us far and wide in an understanding of Christian apocalyptic thought from the lived faith of refugee and oppressed communities to traditions of the Orthodox Church Emphasized throughout is a direction in modern scholarship that sees the catastrophes described in Revelation as symbolic of events that are already happening in the course of world history It presents the bringing of the era to its end because of the victory of Christ over evil which is to be finally vanquished with universal judgment and glorious consummation in store The unfolding work of God s justice is displayed Fellowship with the martyrs the servants of the Lamb is of special significance The Apocalyptic Heart traces these themes based on particular moments in the text of Revelation and explores their meaning for the present *Australian Books in Print* ,1980 **Jewish Quarterly** ,2003 **The Christ of the Apocalypse: Contemplating the Faces of Jesus in the Book of Revelation** Msgr. A. Robert Nusca,2018-06-30 That the Apocalypse of John is a Revelation of Jesus Christ Rev 1 1 is a fact too often overlooked by interpreters of this last book of the Bible As Msgr A Robert Nusca s *The Christ of the Apocalypse Contemplating the Faces of Jesus in the Book of Revelation* proposes beyond predictions of earthquakes and falling stars St John articulates from start to finish a multifaceted and compelling portrait of Jesus Christ Nusca offers an exegetical reading of selected verses of the Book of Revelation incorporating rich spiritual and pastoral reflections The Christ of the Apocalypse above all affirms that St John s God and Christ centered symbolic universe offers our contemporary world a spiritual place to stand amid the shifting sands of postmodernity As Cardinal Thomas Collins Archbishop of Toronto writes in his Foreword Now as in the first century Christians face martyrdom and those who are not called to die for Christ are called to live for Christ in a world which in many ways rejects the Gospel More than ever we need the apocalyptic vision to have our own vision of reality clarified and to be strengthened in our evangelical witness Subject Guide to Books in Print ,1991 **The Apocalypse Paradigm** José Hermann Cuadros,2013-07-29 1 The Revelation of John exerts an almost irresistible attraction to those who are intrigued by its intricate and complex structure JPR p vi 2 Despite its name appears to cancel as much as it reveals disclosing its mysteries only to those patient enough to pore diligently over its every word its every peculiar turn of phrase JPR p vi 3 The Book of Revelation is written now in our own history and in our own city in our own lives and in the lives of our children and our descendants in the pervasive emotional shadow of our failed responsibility and in the dependency of the evil acting on our behalf The time for the Book of Revelation is always the site for it is everywhere the understanding of it is impossible the feelings are overwhelming Introduction 4 A conflicted world of realities and an allegorical world of mental fantasies like a popular TV reality show are offering a kaleidoscopic framework of paradoxes Chaos and order helplessness and hope

destruction and justice war and peace insane devilish actions and healthy spiritual goodness unbalanced lives of people with mental and physical disabilities and their care providers and the expression and context of the devil and the good all these are the text and context of the Book of Revelation the Apocalypse Introduction 5 The Book of Revelation more than a strategy and form of communication is a paradigm It attends not only logical needs of comprehension but also structural human needs that are essential for interactions within a social and human context p 4 6 The negative forces of the spirit fight against the positive forces within the same human individual in the struggle of eternal life In fact the earthly proximity of good and evil reverses the reality and frequently darkens the conscience and moral understanding The essence of good is absurdly assaulted by the unscrupulous immoral acts of evil an assault that leads our mind to the apocalyptic abyss of absolute failure and profound sickness reflected in the confrontational experience of spiritual brightness versus material darkness rational versus absurd behaviors a natural saintly rapture of living versus a vulgarly immoral rapture of life the functional beauty of sex versus the psychopathic abuse of lust No religious institution and no sacred name is free of the human behaviors frequently possessed by the beast such as within the Legionaries of Christ and the Holy See when both were profaned by the universal plague pointing to the spiritual massacre of many children through continual sexual abuse p 14 7 Evil reverses the world of reality without reason and justice Evil establishes an imaginary court with its own judgment and summary punishment in a realm of an obscure frame of racism and discrimination p 14 8 The Apocalypse appears to be the framework of the paradoxical struggle between death and life chaos and order suffering and love helplessness and hope The transformative struggle is clearly illustrated in political history 15 9 The consequences of this convoluted Johannine world extends into the future p 16 10 The book is an attempt to connect in many trials humanity with God within a context of social political and cultural events in a history tinted with suffering and oppression The scenes and motives complete the final step of the redemptive covenant and assure a human future that rewards the faithful worshippers of God with His heavenly presence p 27 Apocalyptic Literature God, Saint Mark, Saint Matthew, Saint Luke, Daniel, John Patmos, 2014-04-04

can do about it According to Lindsey all the signs for the apocalypse are in place an increase in the frequency of wars and earthquakes the deadly plague of AIDS famines changing global weather patterns among many others But how could John who wrote Revelation in the 1st century see what was going to happen in the 21st century Lindsey believes that God gave him a special insight into how the prophecies were coded so that they could be fully understood only when their fulfillment drew near How can we best prepare ourselves and our families to recognize the signs of the end of the age Faith is the key believing God's promise that by faith despite our emotions feelings or circumstances we will understand things to come and we will overcome the world So get ready for a grand adventure as you unlock the secrets and prophecies hidden in Revelation

Jacket *I Saw a New Earth* Paul S. Minear, 2003-09-04 From the Preface There are indeed few books in the Bible where the modern student does not need deft guidance if reading is to prove profitable In the case of the Book of Revelation that need becomes absolutely essential When the average student takes up this book almost without exception the going is tough the language baffling the sense of profit minimal This situation represents a curious reversal for in earlier centuries no other part of Scripture so greatly intrigued the imagination of Christendom or so greatly fascinated its painters and musicians The book at hand is designed to restore the Apocalypse to its rightful place in Christian thinking The title asserts a continuing conviction John as a prophet actually saw a new earth The ordinary ways of perceiving reality had been radically altered by his faith in Christ Even moderns in their traffic with the earth have accessible a greater diversity of visions than they suppose The ancient prophet may still have power to enable us to see a new earth Such at least is the premise that prompted the publication of this book
