*Sterling Test Prep AP Environmental Science: Complete Content Review for AP Exam* Sterling Test Prep, 2017-05-18 Recommended by teachers Trusted by students Higher score money back guarantee AP Environmental

Science Complete Content Review provides a detailed and thorough review of topics tested on the exam. The content covers foundational principles and concepts necessary to answer related questions on the test: Earth systems and resources, The living world, Population, Land and water use, Energy resources and consumption, Pollution, Global change. This book provides a thorough and curriculum-oriented review of all topics per the College Board's most current AP Environmental Science course outline and is organized into seven content areas with detailed coverage of the content tested on the exam. The information is presented in a clear and easy-to-understand style. You can focus on one chapter at a time to fully comprehend and internalize important environmental relationships. This book can be used both as accompanying text during your AP course and as a review guide before the exam. By using it as your study tool, you will develop the necessary skills and will be well prepared for the course and the exam. Scoring well on AP exams is important for admission to college. To achieve a high score on AP Environmental Science exam, you need to develop reasoning skills to properly analyze environmental interconnected networks and quickly respond to the exam's questions. You must be able to identify and analyze environmental problems, propose solutions for avoiding and mitigating them, taking into account associated cultural, social, and economic considerations. The content is developed and edited by highly qualified science teachers, researchers, and education specialists with an emphasis on the curriculum and skills outlined by the College Board for the AP Environmental Science course. It was examined for quality and consistency by our team of editors who are experts on teaching and preparing students for standardized tests.
