Apollon Reviewer:

The Mandolin in America Walter Carter, 2016-12-01 When large numbers of students from Spain arrived in New York in 1880 they introduced the American public to a new instrument the mandolin Spanning more than a century this book chronicles the national mandolin craze that swept across the nation and the evolution of the instrument in America to the present day Eclipsing the banjo and guitar as the most popular fretted instrument in the late 19th century the mandolin inspired the formation of the Gibson company After World War I the mandolin went into a long period of decline during which it found sanctuary in rural string bands and bluegrass music By the 1980s a revival was underway with adventurous players using mandolins in all types of musical settings including symphonic semi classical ensembles jazz klezmer Irish choro and all the branches emanating from bluegrass The Mandolin in America profiles all the significant makers including Bigsby Epiphone Fender Flatiron Giacomel Gibson Gilchrist Lyon Healy Martin Monteleone National Nugget Vega Vinaccia and Washburn Lavishly illustrated with color photos throughout this is a must have volume for collectors and music enthusiasts alike

The Moscow Pythagoreans Ilona Svetlikova, 2013-07-05 In Russia at the turn of the twentieth century mysticism anti Semitism and mathematical theory fused into a distinctive intellectual movement Through analyses of such seemingly disparate subjects as Moscow mathematical circles and the 1913 novel Petersburg this book illuminates a forgotten aspect of Russian cultural and intellectual history

Balanchine and Kirstein's American Enterprise James Steichen, 2019 Challenging the mythologies surrounding the early years of the Balanchine Kirstein enterprise this book weaves a new and definitive account of a crucial period in dance history

From Petipa to Balanchine Tim Scholl, 2003-09-02 In this rich interdisciplinary study Tim Scholl provides a provocative and timely re evaluation of the development of ballet from the 1880s to the middle of the twentieth century In the light of a thoughtful re appraisal of dance classicism he locates the roots of modern ballet in the works of Marius Petipa rather than in the much celebrated choreographic experiments of Diaghilev s Ballet Russe Not only is this the first book to present nineteenth and twentieth century ballet as a continuous rather than broken tradition From Petipa to Balanchine places works such as Sleeping Beauty Les Sylphides Apollo and Jewells in their proper cultural and artistic context The only English language study to be based on the original Russian sources this book will be essential reading for all dance scholars Written in an engaging and elegant style it will also appeal to anyone interested in the history of ballet generally

American Journal of Archaeology, 1891

The American Journal of Archaeology and of the History of the Fine Arts, 1891

The Classical Review, 1895 This companion to the Classical Quarterly contains reviews of new work dealing with the literatures and civilizations of ancient Greece and Rome Over 300 books are reviewed each year

Portraits of Wollstonecraft Eileen M. Hunt, 2023-10-19 One of The Tablet s Books of the Year 2021 Portraits of Wollstonecraft collects and introduces 102 texts and artifacts that document Mary Wollstonecraft s public reception in art literature philosophy and feminist politics Each portrait is a

milestone in her depiction in culture From William Blake s 1803 poem Mary to Maggi Hambling s contentious sculpture in 2020 these sources validate the monumental place Wollstonecraft holds in not just one but many canons The color images in Part I Public Sightings trace her earliest reception in portraiture from 1785 to 1804 with detailed analysis paired with each of the illustrations Arranged chronologically these landmark images are followed by the reviews of Wollstonecraft s books that appeared during her lifetime in Jamaica Madrid Amsterdam and London Part II Global Afterlives examines her multifarious posthumous reception and features diary entries excerpts from English language biographies letters articles and introductions to her books From Olive Schreiner s introduction to the Rights of Women composed in Cape Town in 1889 to the translator s preface to the first Czech edition of A Vindication of the Rights of Woman in 1904 they showcase an impressive sweep of cross cultural perspectives on her life and writings The sources in Part III Making an International Icon chart the depth and breadth of her legacies on a global scale Feminists philosophers and social scientists from Ruth Benedict to Virginia Sapiro to Amartya Sen have written and spoken with conviction about the emotional power of looking into the eyes of the author of the Rights of Woman This section includes major thinkers from across the 19th and 20th centuries who responded to Wollstonecraft s theories on virtue love gender education and rights Mary Shelley Emma Goldman Virginia Woolf Simone de Beauvoir Betty Friedan Susan Moller Okin Barbara Johnson and Martha Nussbaum We see how Wollstonecraft gained traction in feminist politics both as a philosopher and as a transcultural icon of the cause beginning with English suffragist Millicent Fawcett s centennial edition of the Rights of Woman in 1891 and extending through feminist art in The Paris Review during the age of MeToo Assembling responses from Ireland Continental Europe North and South America and across the former colonies of the British Empire this one of a kind collection tells a compelling story of Wollstonecraft s watershed contributions to human rights debates throughout the modern and contemporary world
