Interpersonal Relationships Felix Bermejo, 2025-07-15 Interpersonal relationships are the association or interaction between two or more people human beings were created by God and need to relate not only with God but also with their fellow beings for they are social creatures with such needs Furthermore it is essential that individuals maintain interpersonal relationships with various people whether at work school with neighbors or with those with whom they conduct business These associations may be rooted in business personal interests or feelings such as love which often lead to marriage They form the foundation of how people interact with others in their daily lives Interpersonal relationships develop in diverse settings such as the family marriage religious communities social clubs or the workplace When speaking of interpersonal relationships we refer to the manner of association that exists between two or more individuals grounded in mutual interests

Similarly alliances between nations are formed along with ways of coexisting and conducting business This enables the exchange and negotiation of products and goods each country produces Therefore it is vital that nations maintain good interrelations with other countries In any kind of interpersonal relationships conflict always arises sometimes even within the church therefore it is essential that people maintain healthy interpersonal relationships Human beings partake in a fallen nature and throughout biblical history conflicts between individuals are observed from the book of Genesis to the book of Revelation The history of humanity is a history of wars and conflicts Man needs to learn to coexist and love his neighbor but this can only be achieved through the new birth in Christ

Servants of Righteousness Discipleship Training Program Eric Huntley,2015-01-15 The Church has forgotten about making disciples of its members Very few have discipleship training programs They lead the new believers to Christ and then leave them to fend for themselves The churches then wonder why so many fall away from the Body of Christ Without guidance and instruction these things will continue to be so Being born again doesn t automatically make someone a disciple they must be taught The lack of formal discipleship training in the churches is the root cause of new converts baby Christians running undisciplined in the Church They are easily offended back bite are disrespectful to leaders and are looking more like the world than the world The fact that someone has been in Church for over ten or twenty years does not make them a mature Christian Without discipleship it is very likely that they are still considered infants in Christ The Church became weak willed due to the absence of discipleship training Fear has caused the Church to side with the world in many instances instead of taking a stand when something is wrong The cares of the of the world are beginning to infiltrate the Church The Church is also behaving more like the world instead of lifting a spiritual standard that Jesus outlined in Mark 16 17 18 And these signs shall follow them that believe In My name shall they cast out devils they shall speak with new tongues They shall take up serpents and if they

drink any deadly thing it shall not hurt them they shall lay hands on the sick and they shall recover is nonexistent in most Churches The Bible tells us that God is no respecter of persons What He has done for one He will do for another so the signs and wonders that were following the early Church in the book of Acts should still be happening today Church members must be disciplined in the things of God if we want to see more manifestation of the spiritual gifts in operation within the Church This training program is a step in the right direction It will give the new member the new believer and those in need of spiritual training the basic tools necessary for their journey to becoming a disciple of Christ No training program can be an all in all for everyone Training must continue after the program is over by diligently studying and meditating on the Word attending Bible Study faithfulness to Sunday Service and going out into the highways and byways spreading the Gospel of Jesus Christ

Divorce and Remarriage William F. Luck, 1987 *Hearers and Doers* Kevin J. Vanhoozer, 2019-05-15 The foundation of discipleship is sound scriptural doctrine The value of sound doctrine is often misunderstood by the modern church While it can be dry and dull when it flows from the story of Scripture it can be full of life and love This kind of doctrine steeped in Scripture is critical for disciple making And it s often overlooked by modern pastors In *Hearers and Doers* Kevin Vanhoozer makes the case that pastors as pastor theologians ought to interpret Scripture theologically to articulate doctrine and help cultivate disciples scriptural doctrine is vital to the life of the church and local pastor theologians should be the ones delivering it to their communities With arresting prose and striking metaphors Vanhoozer addresses the most pressing problems in the modern church with one answer teach sound scriptural doctrine to make disciples 2002 Go Manual Michelle Drake, 1998 From Afghanistan to Zimbabwe Youth With A Mission is spreading the Good News of Jesus Christ in over 830 operating locations around the world This guide lists hundreds of long and short term opportunities for all ages as well as seminars and conferences around the world
