Alternative Medicine Christian Handbook:

Alternative Medicine Dónal O'Mathúna, 2006 Easy to use this thoroughly revised and expanded edition of *Alternative Medicine* keeps pace with the latest findings and developments in alternative medicine Here is the most comprehensive current well balanced and trustworthy information available from both a scientific and a biblical perspective *Alternative Medicine* Dónal O'Mathúna, 2002 *Alternative Medicine* Zondervan Publishing, 2001-06 An in depth guide for Christians seeking to understand and evaluate the medical and spiritual implications of alternative practices herbal therapies and self treatments available today 20 copies per pack **Alternative Medicine** Donal O'Mathuna, Walt Larimore, MD, 2010-05-11 The most complete resource of its kind on alternative medicine Herbal remedies dietary supplements and alternative therapies Their specific uses Which ones really work and which ones don't What to watch out for Christian versus non Christian approaches to holistic health Clinically proven treatments versus unproven or quack treatments Truths and fallacies about supernatural healing Ancient medical lore the historical cultural and scientific facts And much much more *Alternative Medicine* is the first comprehensive guidebook to nontraditional medicine written from a distinctively Christian perspective Keeping pace with the latest developments and research in alternative medicine this thoroughly revised edition combines the most current information with an easy to use format University lecturer and researcher Dónal O'Mathúna PhD and national medical authority Walt Larimore MD provide detailed and balanced answers to your most pressing questions about alternative medicine and to other questions you wouldn't have thought to ask Also includes Two alphabetical reference sections *Alternative therapies* Herbal remedies vitamins and dietary supplements A description of each therapy and remedy an analysis of claims results of actual studies cautions recommendations and further resources Handy cross references linking health problems with various alternative therapies and herbal remedies reviewed in the book *God's Design for the Highly Healthy Child* Walter L. Larimore, 2004 Written by a trusted family physician this indispensable guide equips parents to assess their children's health physically emotionally relationally and spiritually and then to create a practical and realistic plan to improve and nurture their children to become highly healthy *God's Design for the Highly Healthy Person* Walt Larimore, Walter L. Larimore, 2004 Considers health of the body mind and spirit offering advice on how to make sense of contradictory media information understand the link between mental and physical health and recruit support during illness **The Dao of Healing** Lai Pak-Wah, 2018-08-01 The last 50 years have seen the popularity of Chinese medicine grow exponentially In China Korea Japan and Singapore Chinese medicine has been incorporated into their healthcare systems to varying degrees In the West it is no longer uncommon for patients to consult Chinese medicine doctors many of whom are non Chinese However among Christians in many parts of the developed world Chinese medicine is still viewed with suspicion and negativity Are these fears justified How can we better understand the roots and practices of Chinese medicine *The Dao of Healing* takes us on an in depth exploration of the histories and philosophies that have shaped

both Western biomedicine and Chinese medicine in order that we might make informed judgements about them If our call is to love our neighbours we need to be able to dialogue with them on the basis of mutual respect and understanding Let this book be the catalyst for meaningful and productive conversations across the divide **Faith seeking understanding** Nico Vorster, Frederik van Niekerk, 2023-03-01 How did it all begin How do we even start to engage the differences between creation narratives in the Christian Bible and modern scientific theory The authors of this book explore hermeneutic approaches and developments in biblical studies to set the scene for a religious approach This approach is open to the possibility that a literalist approach to Scripture is in fact the most unjustifiable reading of the Bible This may profoundly affect how we view God the cosmos and even ourselves To be able to read the Bible from the perspective of an open present and future paves the way for suppressed uncertainties to be liberated This paves the way for humankind to freely question all things without being enslaved by imposed religious dogma This is not to say that religion has served its purpose but it is far from it With the rise of technological advancements come other social and anthropological problems not to mention the challenge we face on a global scale with climate change et cetera Just as we dare to peek over the edge of a future without religion the authors bring us back to the fundamental teachings of faith traditions Christianity in particular They remind us that the solutions to these challenges are to be found in us becoming better humans Becoming better humans brings us back into the arena of faith traditions When technology may lead to social disconnection and narcissism religion calls for love of self and neighbour Where greed inspired advancements threaten the future of our planet religion teaches us to be in relationship with our environment and to be custodians of it The Breast Cancer Care Book Sally M. Knox, 2010-08-03 Endorsed by the Christian Medical Association You have breast cancer Nothing can prepare you for the devastating shock of those words The fear and grief are mind numbing and yet somehow you still have to wade through a morass of medical concerns and practical decisions How do you even begin to deal with it The journey ahead may seem overwhelming but you have a companion one that will not only walk you and your loved ones through the practical concerns of treatment and support but ground you in deep reassurance that God knows and cares From her years of experience breast cancer surgeon Sally M Knox understands your needs and the issues you face Guiding you through the flow of the medical experience in clear accessible terms she dispenses life saving doses of hope compassion and faith Filled with the best most current medical advice The Breast Cancer Care Book makes technical terms and complex choices easy to understand And in the face of one of life s toughest trials it reveals a God who is deeply loving and intimately involved in every step of your journey Practical help for every stage of treatment Explanations of medical terms and choices Biblical insights that team practical knowledge with spiritual strength Help for building your support team Sidebars for loved ones Ideas for helping children cope Much much more **Going Public with Your Faith** William Carr Peel, Walt Larimore, 2003 Going Public with Your Faith is a call for believers to be ordinary followers of Jesus taking their faith to work and living it out daily in the ordinary transactions of life

It includes personal stories from individuals who have made an impact in their workplaces and examines biblical characters in their places of work
