Althusser Gospel According St Matthew:

Althusser and The Gospel According to St. Matthew Agon Hamza, 2015-08-26 The Film Theory in Practice series fills a gaping hole in the world of film theory By marrying the explanation of film theory with interpretation of a film the volumes provide discrete examples of how film theory can serve as the basis for textual analysis Althusser and The Gospel According to St Matthew offers a concise introduction to Althusser s film theory in jargon free language and shows how this theory can be deployed to interpret Pier Paolo Pasolini s retelling of the story of Jesus Christ Consideration of Louis Althusser s work is usually marginal and never with the level of seriousness it demands Presenting a new key figure to provide analysis to film theory Agon Hamza not only fills a lacuna in the philosophical understanding of Althusser but also makes an erudite contribution to the existing film studies discipline

Althusser and Pasolini Agon Hamza, 2016-06-01 Agon Hamza offers an in depth analysis of the main thesis of Louis Althusser s philosophical enterprise alongside a clear engaging dissection of Pier Paolo Pasolini s most important films There is a philosophical religious and political relationship between Althusser s philosophy and Pier Paolo Pasolini s films Hamza teases out the points of contact placing specific focus on critiques of ideology religion ideological state apparatuses and the class struggle The discussion however does not address Althusser and Pasolini alone Hamza also draws on Spinoza Hegel Marx and i ek to complete his study Pasolini s films are a treasure trove of Althusserian thought and Hamza ably employs Althusserian terms in his reading of the films Althusser and Pasolini provides a creative reconstruction of Althusserian philosophy as well as a novel examination of Pasolini s film from the perspective of the filmmaker s own thought and Althusser s theses
