Am I Really A Christian 9marks:

The Christian as Imitator of Christ Francis Kofi Achampong,2025-04-25 Two and a half billion people worldwide profess to be Christians These include people who espouse ideas about White Christianity Chris tian nationalism Christian libertarianism racial segregation and racial purity It also includes people who see assistance to the poor as handouts that perpetuate poverty The latter group includes people who espouse ideas about accountable individualism where people are expected to pull themselves up by their own bootstraps and become self sufficient as a sign of faith in God s grace and a perversion of crucicentrism which takes the position that it is compassionate to allow poor people to suffer because it can drive them to the cross and salvation in Christ Urban Legends of the New Testament David A. Croteau,2015-08-01 Urban Legends of the New Testament surveys forty of the most commonly misinterpreted passages in the New Testament and carefully interprets each text within its literary and historical context 麥基米基 麥基米基 麥基米基 Mike McKinley,2020-09-14 You may think you are but you may not be After all Jesus himself said that some people will do seemingly Christian things in his name but will not truly know him Or maybe you know you are not a Christian and you wonder what it really means to be one To be sure however there is clarity from God s perspective He is not confused about who does and does not know him And though our self awareness is certainly limited we have been given biblical criteria to help us evaluate whether we are indeed followers of Christ In this edition Mike McKinley shows us the importance of examining our standing with God and helps us to fearlessly ask the hard questions ultimately allowing us to see whether we are in the faith and what exactly that entails *Am I Really a Christian? Emadi,2020-02-27 Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life 9Marks Church Questions is a new series that seeks to provide ordinary Christians with sound and accessible biblical teaching by answering common questions Christians have about church life Each volume offers biblical answers and

practical applications with the goal of nurturing healthy church practice and commitment This booklet teaches new Christians the why and how of 7 steps they should take once they believe in Jesus turning to the Bible for the blueprint for how to thrive as a follower of Jesus Hearing God's Word Bobby Jamieson, 2012-04-30 Expository preaching gives life and health to the church It shapes forms and reforms the church and it reveals the character of God Participants will learn to understand their joyful responsibility in sitting under a pastor's teaching and pastors will be encouraged to preach expositionally from the Bible The 9Marks Healthy Church Study Guide series is a series of ten 6-7 week studies covering the nine distinctives of a healthy church as originally laid out in *Nine Marks of a Healthy Church* by Mark Dever This series explores the biblical foundations of key aspects of the church helping Christians to live out those realities as members of a local body Conveniently packaged and accessibly written the format of this series is guided inductive discussion of Scripture passages and is ideal for use in Sunday school church wide studies or small group contexts *God's Good News* Bobby Jamieson, 2012-04-30 Part of the 9Marks Healthy Church Study Guide series this study reviews the Bible's teaching on the good news of Jesus and how the gospel applies to every aspect of church life **Nine Marks of a Healthy Church** Mark Dever, 2004 Did you know that FROGS drink through their skin Instead of swallowing water with their mouths frogs absorb moisture through their skin Frogs can also take in oxygen through their skin which helps them breathe better in the water FROGS eat with their eyes closed The eyes help the frog swallow by lowering into its head and pushing the food down its throat FROGS can jump 20 times their own length That's like a human jumping past four school buses in one leap FROGS have sticky tongues Frogs don't use their hands to catch food they just stick out their tongues Flies mosquitoes and other yummy bugs stick to the tip and get pulled into the frog's mouth for dinner SOME FROGS wear camouflage Stripes and spots help frogs blend into their natural surroundings Some frogs can even change color depending on their location or the weather FROGS recycle Frogs shed their skin about once a week Then they eat the old skin to reuse the nutrients stored inside FROGS can live to be 40 years old Most frogs live from 4 to 15 years A FROG wasn't always a frog Every frog starts as a tiny egg that hatches into a tadpole A tadpole has a round head and a tail and lives in the water like a fish The tadpole eats a lot as its body changes and grows new parts After three to four months the tadpole has four legs and no tail and can live on land it has become a frog AWESOME Did you know that you can become a new creature too You may not have a tail and live in the water but God can give you a new life Do you sometimes do things that make you feel bad inside Maybe you were mean to someone at school or told a lie to your parents God calls those bad things sin Everyone is born knowing how to sin and everyone who sins must be punished But God who loves us doesn't want us to sin He wants us to be like Him loving kind and good Just as a tadpole changes into a frog God can help you become more like Him God sent His only Son Jesus to earth to be a human just like us except Jesus never sinned Even so He chose to die so that He could pay the death penalty for our sins Three days after He died God raised Him back to life again Do you want to have a clean new life Then just believe in

what Jesus did for you Tell God that you are sorry for your sins and thank Him for sending Jesus to save you The Bible says If anyone is in Christ he is a new creation the old has gone the new has come 2 Corinthians 5 17 God will change you on the inside to make you a totally new creature just like a tadpole changes into a frog To do this you can pray something like this Dear God I am sorry for the bad things I do Thank You for sending Jesus to pay the penalty for my sins Please change me on the inside and help keep me from sin so I can live a clean new life for You Amen If you have just prayed to ask God to change you write your name and address on the lines below and send it to us We will send you a free booklet to help you grow in your new life with Christ Am I Really a Christian? Mike McKinley,2011 McKinley challenges new and nominal Christians to take a deeper look at their Christian faith This book addresses five key criteria to evaluate one s standing before God

Nine Marks of a Healthy Church (3rd Edition) Mark Dever,2013-08-31 Now in its third edition and featuring a new foreword by New York Times best selling author David Platt pastor Mark Dever s classic book is not an instruction manual for church growth Rather it is a wise pastor s recommendation for how to assess the health of a church using nine crucial qualities often neglected by many of today s congregations Church leaders and church members alike will resonate with the principles outlined here breathing new life and health into the church at large In this newly revised edition fresh arguments have been added for example on expositional preaching about the nature of the gospel on
