**Ethics and Christian Musicking** Nathan Myrick,Mark Porter,2021-03-22 The relationship between musical activity and ethical significance occupies long traditions of thought and reflection both within Christianity and beyond From concerns regarding music and the passions in early Christian writings through to moral panics regarding rock music in the 20th century Christians have often gravitated to the view that music can become morally weighted building a range of normative practices and prescriptions upon particular modes of ethical judgment But how should we think about ethics and Christian musical activity in the contemporary world As studies of Christian musicking have moved to incorporate the experiences agencies and relationships of congregations ethical questions have become implicit in new ways in a range of recent research how do communities negotiate questions of value in music How are processes of encounter with a variety of different others negotiated through musical activity What responsibilities arise within musical communities This volume seeks to expand this conversation Divided into four sections the book covers the relationship of Christian musicking to the body responsibilities and values identity and encounter and notions of the self The result is a wide ranging perspective on music as an ethical practice particularly as it relates to contemporary religious and spiritual communities This collection is an important milestone at the intersection of ethnomusicology musicology religious studies and theology It will be a vital reference for scholars and practitioners reflecting on the values and practices of worshipping communities in the contemporary world **The One Year Book of Amazing Stories** Robert Petterson,2018-10-09 ECPA 2020 Christian Book Award Finalist You wouldn't believe it but James Earl Jones the voice of Darth Vader grew up mute Michael Jordan was cut from his high school basketball team Albert Einstein was bullied mercilessly in school Beethoven's mom almost aborted him Life takes the strangest sharp turns and sometimes U turns Robert Petterson popular speaker storyteller and author has been a student for his entire life of what God is teaching us through those real life U turns In this book he compiles 365 amazing stories that teach lessons you won't easily forget Each entry is written in the rest of the story style popularized by Paul Harvey With The One Year Book of Amazing Stories you'll marvel at how God has used the lives of these ordinary people to change the course of human history **The Hymn** ,2011

Brown, 2019-01-08 Music can either Connect You to God or Drive You to the Devil God created the human race to enjoy music and to make music and through music the world has been dramatically changed for good and for evil In this fascinating book Michael L Brown takes the reader on a journey through the history of music from classical to rock and from hip hop to gospel showing just how transformative music has been and how much God wants to use it to change the world again Brown contends that it is time for all Christians to make a concerted effort to recover the potential of anointed music and song in our assemblies and in society in our services and on the streets in studios and in schools The counterculture revolution of the 1960s only succeeded with the help of satanically inspired music and mind altering drugs Could it be that today s Jesus revolution can only succeed with the help of Spirit inspired music and a life altering encounter with God What else will produce the necessary change in our perspective After reading this book believers will never again listen to music the same They will finally understand its power and divine origin but more importantly they will know how God wants to use it to usher in a global outpouring that will change the world forever This book will show you how music can either indoctrinate or educate you spark rebellion or patriotism and drive you to the devil or draw you closer to God This book will stir up musicians artists and worshippers everywhere to dive deeper into an appreciation and adoration of the One Himself who created sounds songs and melodies BECKAH SHAE Dove Award Nominated Singer Songwriter Musicians and non musicians alike will be inspired by the powerful ways God intends to use music in today s end time drama BOB SORGE Author of Exploring Worship A Practical Guide to Praise and Worship Dr Brown has written a must read for all musicians singers and songwriters who desire to harness the power of music to glorify Jesus change the atmosphere and release heaven s sound on the earth KELANIE GLOECKLER Worship Leader and Songwriter Executive Director of Access Worship International

**Bowker's Complete Video Directory 2001** ,2001     *Amazing Grace* Bruce Hindmarsh, Craig Borlase, 2023-03-07 Amazing Grace is the surprising true story of John Newton author of the song that has touched millions A biography that reads like a novel it reveals Newton s dramatic story of sin and salvation as a slave trader before his ultimate transformation to speaking out against the horror of slavery His story speaks to the brokenness within us all and our need for God s amazing grace and reveals the truth behind his song Amazing Grace is based on years of research on the life and writings of John Newton It tells of a prodigal who returns home and a young love that defies the odds of a young man whose life is torn by grief and wounded by the cruelty of others following his descent into deeper suffering and finally into the brutal world of the slave trade Newton rejects God repeatedly but is rescued by a divine mercy that reaches deeper than he could ever have imagined as he ultimately faces his past and repents Newton s story is shocking and Amazing Grace does not try to airbrush or excuse his faults There are glaring contradictions in the life of a ship s Captain who retreats to his cabin to study his Bible and write tender love letters to his wife while hundreds of slaves lie in chains in the hold below The profound lessons from his life are applicable to us today helping us to Discover that the need for grace is universal and offers the

deepest hope for overcoming hatred Be honest about our lives even when we are ashamed and face seemingly unresolvable problems Look for grace when life is far from perfect and doesn't match up to our expectations Trust that our mistakes and regrets no matter how deep can be redeemed in the end Since the first public singing of Amazing Grace almost 250 years ago every generation has been profoundly moved by the song and now readers can connect with John Newton's story like never before In these days of extreme polarization when beliefs about race church and politics have all become deeply divisive in society we need grace more than ever We need stories like this one that talk honestly about the human condition but even more about the relentless love of God and his forgiveness of sins     **The Story of a Doctor's Telephone** Ellen M.
