*How to Contact Amazon Customer Support* G. Beacon, 2018-01-05

As a service taker, a customer normally contacts the service giver once there is any disruption in the service. Considering the diverse services offered by Amazon, customers mainly contact the Amazon customer service department for returning an item or gift, claiming for refund of payment and exchanging or replacing an item. Moreover, customers also have queries regarding their accounts and Amazon services. Considering this huge number of customers, Amazon doesn't provide the always floating 'Contact Us' option. Rather, Amazon has systematically developed a level one support system consisting of FAQs and self-helps and anticipates customers to be able to solve issues themselves. They do provide other conventional customer support platforms such as phone, chat, and email, which are resided in level two support. Thus, a proper know-how information is required to get in touch with Amazon customer support team. Thus, this booklet has been prepared to provide a systematic guideline to get in touch with Amazon customer support system. Thus, some sequential steps are required to be executed to contact Amazon. This booklet provides a concise and rational guide for getting in touch with Amazon Customer Support Personnel. Hence, this booklet claims to be a handy resource for any Amazon service taker.
