command Alexa to connect you to the person by saying the person's name. The same applies to a voice call and messaging. To access the feature, tap the speech bubble somewhere at the middle of the toolbar. From here, tap the contacts icon that should be somewhere at the top right corner. The feature shall ask for access to your contact if you're using the feature for the first time; you may also need to enter and validate a phone number. Once you allow the feature access, it will show you a list of contacts you can call with your Echo Show. When you tap a contact's information, you will note an icon underneath the contact's name. This icon will allow you to send a message or start a voice and video call. On the Echo Show, if the person you are calling has an Echo Show device, the default call made will be a video, which you can turn off by commanding Alexa to turn the video off.
