The Publishers Weekly, 2009 Performance of Amazon during the Corona-Crisis and Dot-com Bubble. Corporate Strategy, Liquidity, Revenue and Profit Jagnoor Bhalla, 2021-04-20 Seminar paper from the year 2020 in the subject Business economics

Investment and Finance grade 1 3 University of Applied Sciences Augsburg language English abstract This paper will examine the corporate success of Amazon.com Inc in times of the dot com bubble compared to its performance in times of the corona crisis. The comparison of the company during these financial crises will include corporate strategy, the company's liquidity, revenue and profit. It will also analyse stock prices and the performance on the stock market as well as the number of employees and their compensation as indicators for its financial situation and the company's success. Looking at the global economy, it is clear to see that financial crises are occurring from time to time, challenging companies in many ways to innovate and find solutions and get through financially instable times with minimal losses. There are also different types of crises which are weakening especially certain economic sectors. The internet crisis and the corona crisis both had an

immense impact on the financial market and the business world Considering these two crises which are very different or almost contradictory to each other it seems to be interesting to compare the performance of an internet company which began as one of these dot com startups during the internet crisis but is still innovative and successful to this day even during the corona crisis *Writers' & Artists' Yearbook 2025* Bloomsbury Publishing,2024-08-29 What is your best investment Buying a copy of the Writers Artists Yearbook Kimberley Chambers This bestselling Writers Artists Yearbook contains a wealth of information on all aspects of writing and becoming a published author plus a comprehensive directory of media contacts Packed with practical tips it includes expert advice from renowned authors and industry insiders on submitting to agents and publishers writing non fiction and fiction across different genres and formats poetry plays broadcast media and illustration marketing and self publishing legal and financial information writing prizes and festivals Revised and updated annually the Yearbook includes thousands of industry contacts and over 80 articles from writers of all forms and genres including award winning novelists poets and playwrights scriptwriters for TV radio and videogames If you want to find a literary or illustration agent or publisher would like to self publish or to crowdfund your creative idea then this Yearbook will help you New content for this edition includes articles on If at first you don t succeed by Jessica Irena Smith The importance of story development by Greg Mosse Writing for readers by Rachel McLean Creating a poetry comic by Chrissy Williams Ghosting writing other people s stories by Gillian Stern Romantic motifs by Sue Moorcroft How a publicist can help you by Hannah Hargrave Writing across forms by Rob Gittins Pitching your travel ideas by Jen Sim Benson The hybrid author by Simon McLeave The wealth of information is staggering The Times

To What Extent Is Amazon's Success Based On Their Supply Chain Management?
