Of Mormon Audio:

Another Jesus, a Different Spirit, a Different Gospel Steven H. Propp, 2011-12-13 Its the Christmas season the most wonderful time of the year for most people in River City California But for Jehovahs Witnesses Lawrence and Brad its a time for them to try to explain the truth about this holiday season to the people of the community Their earnest efforts may earn them ridicule disagreement or a door slammed rudely in their faces but they persist and are sometimes able to find a mind and heart receptive to their urgent message about Jehovahs coming Kingdom Whereas for Elders Skousen and Marshall two Latter day Saint Mormon missionaries the season is another opportunity to share their Churchs distinctive interpretation of the Christian gospel but their efforts are often rebuffed as well In the course of their work these two pairs of men engage in dialogue with traditional Christians as well as members of the Church of Christ the Community of Christ RLDS Seventh day Adventists and Oneness Pentecostals not to mention skeptics atheists and the increasing numbers of people who lack any particular religious beliefs But when a local church brings in a researcher to give a series of lectures on Cults and specifically targeting the Jehovahs Witnesses and Mormons a confrontation is ensured where theological and biblical concepts collide in a public forum Who if anyone really has the Truth Can one still discover the true meaning of Christmas in the midst of passionate disagreements over the validity of the holiday season Are objections raised about the secularization and rampant commercialism of the modern celebration valid Spend a holiday season or any other season with some interesting and intellectually stimulating characters as they explore these and other challenging questions Readers of the authors earlier novel *A Multicultural Christmas* will be pleased to see a brief reappearance of two characters from that book A Christ-Centered Home L. Hannah Stoddard, Leah M. Stoddard, Isaiah M. Stoddard, 2022-04-15 Behind the founding of the Joseph Smith Foundation is an untold inspirational story of a software engineer father who felt called to uphold the Prophet Joseph Smith the Restoration with only his homeschool family as his production team Now his children tell candid stories of what it was like growing up with the Joseph Smith Foundation from video editing research and book writing to the many miracles along the way This heartfelt narrative also embraces the challenges facing many families today divorce mental illness abuse teen struggles a loss of a child cancer slander betrayal and financial hardship Hannah Leah and Isaiah also share their individual conversions to the Gospel along with their witness that the Gospel of Jesus Christ holds the answers to solve even the most difficult the most heart breaking and the most traumatic of situations From a family team a dad with his kids came the Joseph Smith Foundation and many other projects that point church members to gospel principles blessing the lives of thousands in the Church today This book is an inspiring guide for families to discover their own mission and inspire their youth to change the world a testimony that the God of Israel will prevail James F Stoddard III was a visionary leader who felt from a very young age that he had a mission to perform He began an intense study of the gospel before his teen years and later committed all of his time and resources to defend the Restoration From the time he was a 13 year old young

man he invested hours days weeks and years into studying forgotten teachings from inspired prophets and presidents of the Church of Jesus Christ of Latter day Saints Then he decided to try something revolutionary Together he and his family would apply these teachings and live their counsel practically Not just infusing gospel principles into school and career but actually building his family s entire lives diet education work recreation entertainment etc around on and with the Rock of Revelation He experimented on the word by creating a home with exceptionally high standards a home focused on consecrated service a home that became a productive center for missionary work entrepreneurial business and worldwide teaching He hit upon a secret that many may overlook his mission to change the world would be performed with and through his family A Christ Centered Home is the heartfelt story told by some of his children documenting the joy even in the midst of suffering and pain that is possible when a family raises the bar in their standards lives the principles of Jesus Christ consecrates their time and talents and follows in the footsteps of the Master Jesus Christ A message of hope that the Gospel can transform and heal every family in every situation Words on Cassette, 2002 R R Bowker Publishing,2002 **Books Out Loud** ,2007
