And Justice Redeemed Scott Pratt:

Justice Redeemed Scott Pratt, 2015 Two years ago Darren Street made a name for himself as the man who rooted out corruption in the district attorney's office. Now the hotheaded young lawyer is in the public eye yet again, this time accused of murder. Jalen Jordan retained Street for what seemed to be a minor traffic violation, but when evidence turned up linking Jordan to the death of two boys, Street wanted out of the case. To ensure his lawyer's cooperation and silence, Jordan threatened to make Street's son the next victim. Shortly after, Jordan's own body turned up with a bullet hole in his chest. Now Street is on trial for his life, and the enemy he made in the DA's office is clearly out for blood. It's one lawyer out to frame another. Can a desperate father escape punishment for a crime he didn't commit? Justice Lost Scott Pratt, 2018 In the Wall Street Journal bestseller, lawyer turned rogue Darren Street faces the most personal and ruthless vendetta of his life. After forfeiting years serving time for a false murder conviction, former criminal defense attorney Darren Street finally got his freedom back and is trying to build a regular life. But when an unthinkable tragedy shatters his hard-earned normalcy, Street is left reeling from the devastating blow. As the criminal justice system refuses to dispense justice, he sets out without mercy after the man responsible. Unwilling to stop at simply righting one wrong, Street decides to dust off his legal skills and dive back in this time to unseat the district attorney general in Knoxville, whose callous indifference nearly let a man get away with murder. Now navigating a broken establishment already steeped in corruption, Street will find the retribution and redemption he so desperately needs, unless it draws him even deeper into the very chaos that derailed his life in the first place. **Justice Burning** Scott Pratt, 2017 A Wall Street Journal bestseller. Former defense attorney Darren Street is desperately trying to put his life back together after spending two years in a maximum security prison for a murder he didn't commit. He's rebuilding his law practice, reconnecting with his son, and falling more deeply in love with his girlfriend, fellow attorney Grace Alexander. But the past casts a long shadow, and for Street, there's no outrunning it. Tormented by nightmares and violent mood swings, Street is seeking treatment for PTSD when a new trauma shakes his world: his mother is killed in an explosion, but the police believe Street was the intended target. Payback from an old enemy or the calling card of a deadly new foe? Whoever's behind it, Street begins to lose his grip on reality and decides to take matters in his own hands. And the law won't stop him from revenge. Justice has a new name: Darren Street.
