Johnny O'keefe The Wild One - The Documentary , Australian Rock Chronicles Series Paul Vincent,2025-12-31 Australian Rock Chronicles Series is a two in one eBook that combines both my previously published books Australian Rock Chronicles 1955 1964 and Australian Rock Chronicles 1964 1969 The books tell the story of how rock music in Australia evolved from its early troubled beginnings in 1955 to what it is today readily accepted by society as a part of a thing called pop culture They take the reader on a unique journey through what was two defining chapters in Australian music history The first was a cultural phenomenon the likes of which had never been repeated in Australia s history Read how the pioneers like Alan Dale and The Houserockers Johnny O Keefe and The Dee Jays Col Joye and The Joy Boys Johnny Rebb and His Rebels Digby Richards and The R Jays The Delltones Lucky Starr and Lonnie Lee from Sydney The Thunderbirds and Johnny Chester from Melbourne and Johnny Devlin and The Devils from New Zealand took to centre stage and overcome the initial backlash and ensured that the transition to this new genre of popular music was a success how Noeleen Batley Beverley Dick Judy Cannon and Betty McQuade paved the way for female artists how the early Sixties stars like The Atlantics The Denvermen Bryan Davies The Strangers and Little Pattie rode the wave to success The second continues the journey through an era that encompassed what was one of the most vibrant and exciting live pop music scenes in the world Often dubbed The Scream Years of Australian pop music it produced some of the classics of Australian pop rock music highlighted by the international chart success of The Easybeats Friday On My Mind in late 1966 It also saw the rise of new genres of rock music like psychedelic rock acid rock progressive rock and bubblegum rock spearheaded by artists like The Masters Apprentices Jeff St John and Copperwine Tamum Shud Chain Tully The Flying Circus The Valentines and Zoot and at the same time producing some of Australia s finest male and female solo pop singers including Normie Rowe Lynne Randell Johnny Young Bev Harrell Ronnie Burns Johnny Farnham and Russell Morris Additionally it also produced two of Australia s most successful international acts The Seekers and The Bee Gees

Friday on Our Minds Michelle Arrow,2009 Lively and insightful Friday on our Minds shows that far from being trivial or merely entertaining popular culture reveals a great deal about Australia s history and about social and cultural change Book Jacket

Dig David Nichols,2016-10-11 David Nichols tells the story of Australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world Generously illustrated and scrupulously researched Dig combines scholarly accuracy with populist flair Nichols is an unfailingly witty and engaging

guide surveying the fertile and varied landscape of Australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period. The result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the United States and the UK yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience. Dig is a unique achievement. The few general histories to date have been highlight reels heavy on illustration and short on detail. And while there have been many excellent books on individual artists, scenes and periods and a couple of first rate encyclopedias, there's never been a book that told the whole story of the irresistible growth and sweep of a national music culture. Until now. *The Long and Winding Way to the Top* Andrew P Street, 2017-11-22. Australia likes to celebrate its musical heritage but there are so many stories that haven't been told. Andrew tells us things about the songs that we might not know and things about the songs that no one should ever know. He does it with intelligence and humour, not to mention an acid wit. Jimmy Barnes. Which band is Australia's premier act for drunk men to hug to? Which dance floor smash owes its existence to an elderly Canadian stand-up team? How does housing affordability threaten Australian rock? Which surprising artist is technically Australia's arguably more successful Beatles? Which of our alternative national anthems were written by Americans? What ultra Australian song cut Vegemite from its lyrics for being too on the nose? And most importantly, what's with all the bagpipes? Andrew P Street writer, critic and obsessive Australian music weirdo tries to answer these and many, many, many other questions you never thought to waste time asking in this history of Australia in 50 songs or so. Deeply cheeky, unashamedly nostalgic and endlessly enthusiastic, this is a dive into our national playlist from the birth of rock n roll to the reign of Australian hip hop and just about everything in between. Andrew P Street's book is a pithy, funny and accurate look at 50 famous Australian songs and quite frankly, any lover of Aussie music would be sorely amiss if he did not take a good squiz at this book. With Street's interesting and often irreverent stories of how each of these songs came to be, Steve Kilbey, The Church, Andrew P Street is a ridiculously infectious writer. His tone can be sharp and impertinent and he can be quirky but in the end, he is authentic, original and writes his astute observations with beautiful clarity. Lindy Morrison, the Go-Betweens. Humour, candour and big-heartedness in music writing. Blow me down. You've always been a good'un. Street Walk on Tim Rogers, You Am I.

[Australian Rock Chronicles 1964-1969](#) Paul Vincent, 2025-04-28. This is the sequel to my first book *Australian Rock Chronicles 1955-1964* and delves into the next chapter of Australian rock music: the second wave from 1964 to 1969. The first wave of rock music was heavily influenced by American artists whereas British group The Beatles ushered in a whole new direction in popular music around the world in early 1964. Their Merseybeat style of music revitalized the Australian live music scene which changed irrevocably and virtually overnight and without doubt became one of the most vibrant and exciting in the world. Australians were switched on early to their music thanks in no small part to a nucleus of British immigrants. The second wave consisted of two phases. The beat boom between mid 1964 and 1967 was the first and was

without doubt one of the most vibrant and exciting live music scenes in the world and leading the charge of a whole new generation of local beat stars were Billy Thorpe and The Aztecs Ray Brown and The Whispers Tony Worsley and The Fabulous Blue Jays The Easybeats Normie Rowe and The Playboys and The Twilights just to name a few Dubbed The Scream Years of Australian pop music it produced some of the classics of Australian pop rock music culminating in the international chart success of The Easybeats Friday On My Mind in late 1966 Rhythm and blues or R B and blues rock were also popular genres during the period with the likes of The Purple Hearts The Missing Links The Throb Bay City Union and The Wild Cherries leading the way During the second phase between 1967 and the start of the Seventies popular music began to diversify with the rise of new genres of rock music like psychedelic rock acid rock progressive rock and bubblegum rock with artists like The Masters Apprentices Jeff St John and Copperwine Tamum Shud Chain Tully The Valentines The Flying Circus and Zoot rose to prominence The second wave also produced some of Australia s finest male and female solo pop singers including Normie Rowe Lynne Randell Johnny Young Bev Harrell Ronnie Burns Johnny Farnham and Russell Morris Additionally it produced two of Australia s most successful international acts The Seekers and The Bee Gees *Johnny O'Keefe* Jeff Apter,2013-07-30 Bill Haley called him a future king of rock Billy Thorpe idolised him Fans loved him We knew him simply as JO K Johnny O Keefe was a human dynamo Australia s first king of rock n roll his massive influence still looms large on the Australian entertainment landscape Although O Keefe suffered as many breakdowns as he did breakthroughs he played a huge role in establishing the multi million dollar Australian music industry as we know it today He was our first and remains our greatest rock n roll star Like his peer Elvis Presley Johnny died way too young from a heart attack in 1978 at the age of 43 He left behind a legacy of timeless hits including She Wears My Ring She s My Baby Shout and The Wild One and recorded thirty three Top 40 hits during his lifetime Johnny s role as host of the television shows Six O Clock Rock Sing Sing Sing and The Johnny O Keefe Show still hold a special place in the hearts and minds of his many fans as do his legendary live performances Featuring the input of peers and insiders and written with the full support of the JO K Trust this is the definitive story of the man known as the Wild One **50 Years** Tim Bowden,Wendy Borchers,2006 From its at times not so smooth launch in November 1956 from a studio in Kings Cross some of the best loved most iconic programs in Australian memory have been seen on the ABC Here are some memories you are sure to remember some so vividly that it will seem like yesterday that you watched them although it may have been 20 years ago Tim Bowden remembers decade by decade not just the great shows the brilliant mini series and drama the cutting edge current affairs the springboard to success for so many young comedians but also the changes to the ABC itself the way the public broadcaster has evolved and grown the successes and challenges to maintain its integrity and to live up to its charter to be the most trusted public institution in Australia Featured programs include Mr Squiggle Playschool Adventure Island Bananas in Pyjamas Weekend Magazine This Day Tonight Four Corners Media Watch Lateline Foreign Correspondent Australian Story Bellbird Certain Women GP Seachange
