Mass Communication

[Mass Communication](#) Ralph E. Hanson, 2025-01-07 The best selling Mass Communication: Living in a Media World presents a highly accessible introduction to mass communication that equips students with the critical thinking skills to become savvy media consumers. To help students better retain the material, author Ralph E. Hanson uses a storytelling approach that weaves in examples drawn from everyday life. Readers are encouraged to consider the media industry from the inside out and, in doing so, discover the many dimensions of mass communication that operate in our society. This newly revised Ninth Edition highlights the aftermath of how the media industry and media consumers have evolved since the global pandemic, closely examining the changing face of media today.

[From the Army to College](#) Jillian Ventrone, Paul Karczewski, 2015-09-28 Today's soldiers are highly motivated to serve but face numerous challenges, especially considering the sacrifices they have made over the past decade of war. As the service branches face budget cuts and draw downs, soldiers need to be aware of the resources and options available to help make them more competitive for promotion or more credible for potential civilian sector employers. From the Army to College: Transitioning from the Service to Higher Education fulfills this need by serving as a long term reference manual that will support soldiers throughout their higher education or vocational pursuits and assist with navigating the available funding resources. Aspiring civilians looking to join the Army, soldiers already on active duty, or those transitioning into the civilian sector will gain invaluable information to help them properly prepare, plan, and perform the tasks necessary for a successful transition into the world of education. If a soldier's goal is to expand his or her credentials through education or training, this book is the definitive field manual.

[Balancing Life and Education While Being a Part of a Military Family](#) Jillian Ventrone, Paul Karczewski, Robert W. Blue Jr., 2017-02-15 Military spouse

education is an often overlooked topic. With the proliferation of service member programs and benefits and the spotlight on them it is not uncommon for spouses to neglect looking into their own educational opportunities and benefits. The hectic life of a military family also often complicates the process of attending an institution of higher education for spouses. There are numerous programs and benefits that a spouse may have access to but they are difficult to find and navigate properly. *Balancing Life and Education While Being a Part of a Military Family: A Guide to Navigating Higher Education for the Military Spouse* attempts to highlight these possibilities and inform and assure this population that attaining an education is possible regardless of location or current circumstances. Numerous programs and benefits are described as well as the best way to go about using them. Detailed instructions are illustrated to make the process of obtaining an education easier and to give spouses more confidence in pursuing their own education. In addition the specific considerations of military family life are addressed along with these instructions. Education is really important and a lot of times military spouses aren't aware of the opportunities and resources available to them to pursue it. The authors of *From the Navy to College: Transitioning from the Service to Higher Education* and *From the Army to College: Transitioning from the Service to Higher Education* have put together a clear guidebook that will make the process easy, accessible and understandable. They offer clear advice and information about resources available to spouses of service members creating a go to guide for pursuing higher education.

[From the Air Force to College](#) Jillian Ventrone, Andrew Hollis, 2016-04-11. The Air Force can be the initial platform of a lifelong career pathway for individuals interested in serving one contract or those who stay on active duty for a full career. The education and certification options available to airmen can enhance the career viability of those who choose to take advantage of the benefits but learning about and navigating the possibilities can be difficult. *From the Air Force to College: Transitioning from the Service to Higher Education* is designed to help readers navigate through this process and to assist them throughout their Air Force journey including individuals who are just about to join active duty airmen and those preparing to transition back into the civilian sector. This book serves as the go to guide for those who actively seek opportunities to further develop their education and improve their current and future career prospects. The Air Force offers many different opportunities for career enhancement and self betterment but if an airman does not know whom to seek out for advice the process can get complicated. Plus deciphering the world of higher education and navigating the available active duty and veterans benefits is challenging. Incorrect choices can mean extended periods of time backtracking later on or running out of payment options.

From the Marine Corps to College Jillian Ventrone, 2014-10-16. The Iraq and Afghanistan Wars have taken a harsh toll on our military's population. Some service members come back from combat ready for a change of pace others get caught up in the draw down currently occurring within the services. Many of these service members decide to pursue higher education. Veterans education benefits are a source of much discussion but often hard to decipher. *From the Marine Corps to College: Transitioning from the Service to Higher Education* aims to simplify this process. Designed to help Marines navigate the

world of higher education and their available state and federal benefits this accessible guide will better prepare veterans for tackling their new mission college From the Marine Corps to College can be read as a book from cover to cover or as a reference manual section by section The easy to follow format will assist Marines in furthering their educational goals
