**The Class Leader System Today in the African Methodist Episcopal Church** Rev. Roderick D. Belin,2024-09

Rediscover the power of personal spiritual nurture in the AME Church tradition. This manual explores the vital role of Class Leaders in fostering individual and communal spiritual growth. Grounded in historical Methodist practice and adapted for today's church, it offers practical guidance on conducting class meetings, providing pastoral care, and nurturing discipleship. Learn how Class Leaders serve as a crucial link between members and church leadership, ensuring every soul is cared for and accountable. Whether you're a new Class Leader or looking to revitalize this system in your congregation, this guide provides the tools to create a network of support, encouragement, and spiritual development within your church community.

In this volume David Lowes Watson explains what the recovery of this tradition can mean for congregations and offers some guidelines for the revitalized office of class leader. Adapting the later Methodist class meeting as a pastoral subdivision of the congregation, Watson shows how class leaders under the supervision of the pastor can nurture the discipline of other church members in light of a General Rule of Discipline derived from the early Methodist societies. To witness to Jesus Christ in the world and to follow his teachings through acts of compassion, justice, worship, and devotion under the guidance of the Holy Spirit. This volume is the second in a trilogy: Covenant Discipleship, Class Leaders, and Forming Christian Disciples.
