**Early Mormonism and the Magic World View** D. Michael Quinn, 1998-12-15 In this ground breaking book D Michael Quinn masterfully reconstructs an earlier age finding ample evidence for folk magic in nineteenth century New England as he does in Mormon founder Joseph Smith's upbringing Quinn discovers that Smith's world was inhabited by supernatural creatures whose existence could be both symbolic and real He explains that the Smith family's treasure digging was not unusual for the times and is vital to understanding how early Mormons interpreted developments in their history in ways that differ from modern perceptions Quinn's impressive research provides a much needed background for the environment that produced Mormonism This thoroughly researched examination into occult traditions surrounding Smith his family and other founding Mormons cannot be understated Among the practices no longer a part of Mormonism are the use of divining rods for revelation astrology to determine the best times to conceive children and plant crops the study of skull contours to understand personality traits magic formula utilized to discover lost property and the wearing of protective talismans Ninety four photographs and illustrations accompany the text

**Catalogue of Printed Books** British Museum,1892     *Quicklet on 60 Minutes Entertainment Profiles: Trey Parker and Matt Stone* Ben Sztajnkrzyer,2012-02-16 ABOUT THE BOOK DISCLAIMER This contains explicit language that may not be suitable for readers of all ages It s hard to believe that South Park has been on the air for 15 years The show features four trash talking ten year olds Stan Kyle Cartman and Kenny who somehow find themselves in the midst of every political religious and cultural crisis facing America It is fearless and crude and it created an instant uproar when it first debuted on Comedy Central The animation is deliberately and laughably bad and most of the voices are provided by its two creators Trey Parker and Matt Stone But it was the freshest thing that anyone had seen on TV in years And it s still fresh to this day Parker and Stone recently sat down for an interview with 60 Minutes correspondent Steve Kroft When I watched the segment I was amazed to see that this dynamic comedy duo have lost none of their edge As the segment pointed out they re in their 40s now but they still want to tackle the most pressing and controversial issues that other media personalities are afraid to touch Not necessarily to be inflammatory but rather to push the envelope of comedy In Stone s own words We want to do jokes other people haven t done you know And they ve recently taken their unique comedy sensibilities to Broadway where they have created the subversive musical The Book of Mormon The show is a smash hit and the winner of nine Tony awards including the award for Best Musical MEET THE AUTHOR Ben Sztajnkrzyer was born in Montreal Canada and moved to Los Angeles to pursue filmmaking He is a graduate of UCLA s prestigious screenwriting program where he won numerous awards for his work He teaches screenwriting at Cal State Fullerton In his free time Ben loves watching Polar Express and Thomas the Tank Engine over and over and over and over with his four year old son EXCERPT FROM THE BOOK Steve Kroft led Parker and Stone down memory lane where the two revealed that they attended film school together at the University of Colorado They each possessed an edgy sense of humor which could be grating to their fellow students As Parker recounted Our senses of humor were just so similar that we would just really crack each other up and it got annoying for everyone else in film school But these two clowns took their work very seriously While still in school they raised enough money to make the feature film Cannibal The Musical This bizarre low budget musical comedy lived up to its title recounting the story of a prospector who turned to cannibalism to survive winter in the mountains The film was rejected from the influential Sundance Film Festival but it went on to a limited release anyway From there Parker and Stone moved to Hollywood where a studio executive commissioned them to make a short Christmas video for a paltry 1 200 Using crude cardboard cut out animation they put together The Spirit of Christmas a hilarious skewering of the commercialization of Christmas that pit Jesus against Santa Claus Buy a copy to keep reading     **The Cambridge Review** ,1899
