the most important and useful. "He was a good, sober, upright man, but he was the 'worst' kind of a Christian." (Interview) These two personality types are most at conflict throughout the narrative. Johnson realized that these people have been and always will be the "worst" kind of Christians. The "worst" kind of Christians, Johnson says, are the ones who are most afraid of God. Johnson's personal spirituality is based on the concept that God is not afraid of us.

“...the most important thing is that we can now prove we have been fully playing our part in this great mission. This is something that cannot be done through any other medium. The position that the Committee holds, having regard to the great work the communists are doing, must be taken by the communists as a great, great victory for the communists. This is the only way to prove that the communists are doing their duty.”

Designing Learning with Digital Play Fei Victor Lim, Weimin Toh, 2025-12-15 Lim and Toh provide updates on recent research on digital play and learning and unite game based learning with multimodal and social semiotic theories. They adopt the position that teachers or caregivers scaffolding is required when games are used in a pedagogical context such as the classroom. The book offers a nuanced view of the nature and properties of games beyond motivation including the students interest and use of digital play. The chapters explore the varied ways in which games are designed to promote critical thinking and reflection. It expands on the teachers or caregivers scaffolding of students digital play in pedagogical contexts such as in a classroom setting where students are guided to reflect on how they perceive the representations in the game world. With this openness and interest towards digital play the authors argue that it is timely for us to examine the value of digital play for learning that it can foster literacy development as well as promote growth in the affective domain. They echo the call for design principles in digital play to inform the design of students learning experiences and explore ways in which digital play can be integrated into teaching and learning. This book covers a topic which is both relevant and urgent in today's digital age. Of interest to anyone involved in designing learning with digital play this volume will be of particular value to students and scholars in education curriculum design pedagogy as well as multimodality.
