An American Queer The Amazon Trail:

An American Queer: The Amazon Trail Lee Lynch, 2014-10-01 This collection of Lee Lynch's columns chronicles over a quarter century of queer life in the United States from the last decades of the twentieth century into the twenty first From the beginning of my writing career I just wanted to write about lesbian gay life as I experienced it Like so many I came from a place of great isolation At the same time being gay filled me with great pride and joy Writers Jane Rule Isabelle Miller Radclyffe Hall Valerie Taylor Ann Bannon and Vin Packer gave me inspiration and even the lesbian companionship I needed as a baby dyke More than anything I want to give to gay people what those writers gave me And I want to do it well enough that my words might someday be considered literature and as such might endure because as open as some societies have become there are always haters and cycles of oppression Our writers strengthen us offer a sense of solidarity and validation that we are both more than our sexualities and are among the best that humanity offers
