An Illustrated Companion To The First World War

Guillaume Favre

An Illustrated Companion To The First World War:

The Jewish Legion during the First World War M. Watts,2004-10-20 In the autumn of 1917 the British government established three battalions of infantry for the reception of non-nationalized Russian Jews known colloquially as the Jewish Legion. The battalions served in Egypt and Palestine before their eventual disbandment in the late spring of 1921. By drawing on the testimonies of over 600 veterans this unique unit is analyzed from within its political and social context thus providing fresh insights into Anglo-Jewish relations during the early twentieth century

An Illustrated Companion to the First World War

Anthony Peter Charles Bruce,1989 This handsome volume explores WWI in a panoramic account that encompasses its historical context, military ramifications, strategic innovations, political events, and such unusual topics as mutinies. Illustrated

Eddie Rickenbacker W. David Lewis,2005-12-08 David Lewis has written the definitive biography of America's ace of aces

A History of the First World War

John Buchan,1991

The Battles of the British

Expeditionary Forces, 1914-1915 Fred R. van Hartesveldt,2005-04-30 In this valuable resource over 1 000 annotated sources from Great Britain, France, and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources resulting in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. In this valuable resource over 1 000 annotated sources from Great Britain, France, and Germany offer a historiographical reference for study of the British army at the beginning and in the first battles of World War I. Unique to this bibliography is the comprehensive coverage of sources and it results in a more complete picture of the circumstances of activities of the British Expeditionary Force (BEF). Sources include coverage of the BEF's military role as well as background information about domestic military considerations and Allied and enemy efforts. This volume will support researchers and students in their efforts to find out what the Expeditionary Force's contributions were in World War I and for expanding their knowledge of the Great War and British military history. The volume includes four chapters of historiographical essays discussing the interpretations and controversies that surround the performance and leadership of the BEF in 1914-1915. The essays direct readers to the major sources that support various ideas and indicate gaps in the historiography of the subject. Following the historiographical essays is an annotated bibliography of more than 1 000 sources that are relevant to the study of the BEF.

The Dardanelles Campaign, 1915 Fred R. van Hartesveldt,1997-11-20 The passage of time has not slowed the production of books and articles about World War I. This volume provides a guide to the historiography and bibliography of the Dardanelles Campaign including the Gallipoli invasion. It focuses on military history but also provides information on

political histories that give significant attention to the handling of the Dardanelles Campaign The opening section of the book provides background information about the campaign discusses the major sources of information and lays out the major interpretative disputes A comprehensive annotated bibliography follows This book nicely complements the two earlier volumes on World War I battles The Battle of Jutland by Eugene Rasor and The Battles of the Somme by Fred R van

Hartesveldt **The Grolier Library of World War I: 1915 : the lines are drawn** ,1997 Covers the causes of World War I the battles and strategy involved and the aftermath in chronological format *Verdun 1916* H. W. Kaufmann,J. E.

Kaufmann,2016-07-31 Wrapped in myth and distortion the Battle of Verdun is one of the most enigmatic battles of the Great War and the controversy continues a century later Before the battle the Germans believed they had selected one of the strongest points in the French defences in the hope that if they smashed through it the French would collapse But Verdun was actually a hollow shell since its forts were largely disarmed and the trench lines were incomplete So why did the Germans fail to take Verdun As well as seeking to answer this fundamental question the authors of this perceptive new study reconsider other key aspects of the battle the German deployment of stormtroopers the use of artillery and aircraft how the French developed the idea of methodical battle which came to dominate their military thought after the war They look too at how Verdun brought about a renaissance of fortress engineering that resulted in the creation of the Maginot Line and the other fortifications constructed in Europe before the Second World War **Nationalism in Europe and America** ,2011

Nationalism in Europe and America American Prose Writers of World War I Steven Trout,2005 Essays on American authors of novels memoirs short stories and plays by writers that were maimed in one way or another by World War I yet still found the fortitude to write of what had wounded them most Brings together material otherwise available only in private book collections and the special collections of university libraries Includes letters sections of manuscripts and typescripts photographs and advertisements from a variety of collections **Race to the Front** Kevin D. Stubbs,2002-09-30 When war

broke out in Europe in 1914 nearly every combatant foresaw a short decisive conflict Experience would soon prove however that this belief was sorely misplaced Eventually excessive economic dislocations would topple every authoritarian regime Only the intervention of the United States would save the British and the French from collapse This book traces the trilateral struggle between the Entente the Central Powers and the United States to determine the outcome of the war Stubbs focuses on a few essential factors vital to understanding this three way race the acquisition of war materiel food human resources and the movement of each In an analysis of coalition strategies it is not enough to study the memoirs and memoranda of General Staffs or political figures engaged in war One must also examine the roles played by each population their industries economy means of transportation and the financial decisions that make such strategies possible In short the material foundations of war set the boundaries within which strategic maneuvers occur Ultimately the United States determined the outcome of the First World War not simply because it provided the last untapped reservoir of manpower but due to its overall

economic contributions to the allied effort **1914-17** ,1997 The Great War's Forgotten Front Jan F. Triska,1998 This is an authentic story of a frontline soldier in World War I A Czech conscript in the Austro Hungarian Imperial and Royal armed forces the soldier underwent a terrible ordeal in the hopeless war between the Habsburg monarchy and the Kingdom of Italy on the Piave River But when given an opportunity the soldier changed allegiance volunteered for service in the newly formed Czechoslovak Legion in Italy fought in Slovakia against the invading Hungarian army of Bela Kun and thus helped his new homeland Czechoslovakia to secure its borders **The European Studies Journal** ,2000 *The International Military Encyclopedia: Arginusae, Battle of; Atonement, War of* Norman Tobias,2004 **Legacy of the Somme 1916** Gerald Gliddon,1996 The Battle of the Somme is widely regarded as one of the bloodiest and most controversial land battles ever fought The first British troops went over the top on 1 July 1916 and by the day s end some 19 000 had been killed in the greatest one day loss the British Army has ever known This notoriety has ensured that the Somme and its many fallen warriors live on in countless books plays and films Documentary sources about the Somme abound and there is a voracious appetite among the book buying public for more Legacy of the Somme 1916 is a unique bibliographical and media guide to the battle setting on record in as comprehensive a listing as is possible much of what has been written filmed or sound recorded in the English language between 1916 and 1995 This detailed listing includes official unofficial and unit histories of the British and Commonwealth armies biographies autobiographies and memoirs literature drama and media archives tanks and war graves registers Short commentaries accompany each entry and a detailed index enables accurate cross referencing of subjects First and foremost this is a unique work of reference which will appeal to all with an interest in the First World War It will aid historians researchers and enthusiasts to track down the vast amount of information available on the battle and will also prove valuable to libraries museums and the book trade **Bloody Skies** Melvin W. McGuire,Robert Hadley,1993 Little has been written about the contributions of enlisted combat aircrew members during World War II Also the importance of crew unity has not been sufficiently emphasized BLOODY SKIES is the story of a Fifteenth Air Force B 17 crew that often flew the notorious Old Flak Holes crisis tragedy bonded them They arrived at Amendola Italy on the day their entire squadron the Twentieth had been wiped out by the Luftwaffe That was their introduction to war Ten enthusiastic bright eyed cocky boys experience a fatigue weariness so overpowering it seems to go deep into the bones It is only their pride in themselves their crew their country that keeps them returning to the skies to face another day of that dreaded flak German fighters In spite of the horrors of aerial combat they can still find humor in their lives compassion for those innocent victims of every war the children These ten men from the economic cultural geographic spectrum of 1940s America represented the best their country could offer **The Humanities** Ronald G. Witt,2001 *La Roumanie et la Grande Guerre* Dumitru Ivănescu,Sorin D. Ivănescu,Institutul de Istorie "A.D. Xenopol".,2005 **Journal of the Society for Army Historical Research** Society for Army Historical Research (London, England),1990
