Truths about Evil, Sin, and the Demonic Byron Belitsos,2023-04-18 The Problem of Evil and the Predicament of Theodicy As Christians or theists we are moved to share the truth of God s love for humankind But how can we speak of such providential care in a world rife with crime war racism genocide and even ecocide In response to this

predicament a theodicy proposes a rational defense of God's goodness that offers consolation to victims and hope to all believers. Truths about Evil, Sin, and the Demonic provides a sweeping history of the discipline of theodicy that focuses on its strategic turning points and its possible future. Belitsos argues that because of the atrocities of the last century and the threat of horrendous evils in the coming century we need to marshal the most explanatory elements of all previous theodicies and then drive toward an integrative model based on a creative synthesis. The author also turns to a modern revelatory source that supports his argument for such a meta theodicy. He concludes by critically engaging with this source and the entire tradition in his call for an apophatically informed integral theodicy. JESUS - THE MISSING YEARS, NEW TEACHINGS & THE AFTERLIFE: BASED ON THE URANTIA BOOK Paul D. Knott Ph.D., 2012-12-11. The afterlife is open to all persons religious or non religious from all over the world. Our destiny after this short life is over is conditioned only by our spiritual longings and purposes. It is not determined by believing in a correct creed or dogma or by saying the correct words. Rather we will pass on to the afterlife if we have the faintest desire to know more of God, more of truth, beauty and goodness. This is a teaching found in The Urantia Book that purports to be a revelation to Earth which the authors call Urantia. The present book is a brief introduction to The Urantia Book a complex tome of over 2 000 pages. The Urantia Book claims to have answers to such timeless questions as What happens to us when we die? Is there a heaven if so what is it like? Is God really love? Has God really set aside a hell in which people who reject him are punished? How do we get to heaven? How did Earth become such a confused and troubled planet? How do we move forward? What is the origin of human life? Many many more teachings are found in The Urantia Book including teachings by Jesus that we've never heard before. In this book you will find explanations from The Urantia Book that clear up misconceptions of God some of Jesus' teachings the nature of the universe and the afterlife misconceptions which have often caused confusion, heartache and irrational fear in people all over the world.
