An Invisible Thread Laura Schroff,Alex Tresniowski,2011-11-01 This 10th anniversary edition of the beloved 1 New York Times bestseller includes a new introduction and afterword by the author. Chronicling the lifelong friendship between a busy sales executive and a disadvantaged young boy that began with one small gesture of kindness, this is a ray of hope for a better future as well as an assurance that love is a stronger force than injustice and inequality. Sybrina Fulton, mother of Trayvon Martin and coauthor of Rest in Power: The Enduring Life of Trayvon Martin. Stopping was never part of the plan. She was a successful ad sales rep in Manhattan. He was a homeless eleven-year-old panhandler on the street. He asked for spare change; she kept walking. But then something stopped her in her tracks and she went back. And she continued to go back again and again. They met up nearly every week for years and built an unexpected life-changing friendship that has today spanned almost three decades. Whatever made me notice him on that street corner so many years ago is clearly something that cannot be extinguished, no matter how relentless the forces aligned against it. Some may call it spirit. Some may call it heart. It drew me to him as if we were bound by some invisible, unbreakable thread. And whatever it is, it binds us still. Now, with new material that brings the life-changing story up to date for its tenth anniversary, *An Invisible Thread* is a book capable of restoring our faith in each other and in the very idea that maybe everything is going to be okay after all. Catherine Ryan Hyde, author of *Pay It Forward*.

When Laura Schroff walked into my office in 1978 I was impressed by her confidence and charmed by her personality But I needed to know more about her values She told me that she cared about her family and friends loyalty and making a difference in people s lives 2 Laura is a remarkable woman who despite my reservations went out of her way to help a young boy named Maurice She did this not because she was forced to but because she had faith in him and love for him 3 Laura s story is a simple and sweet connection between two people who need each other She was committed to Maurice for life and I believe there s a powerful message in her small and simple gestures 4 When I heard the boy s voice I didn t really hear him His words were part of the clatter like a car horn or someone yelling for a cab I walked right past him as if he wasn t there But then just a few yards past him I stopped **An Invisible Thread** Laura L.
