*Summary of Constantin Stanislavsky's An Actor Prepares* Everest Media,2022-06-21T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was excited to learn about the Director Tortsov and his

plans for my acting career I was to perform bits from plays chosen by me and then he would be able to judge my dramatic quality 2 I was so embarrassed that instead of apology I made the careless remark I seem to be a little late Rakhmanov the Assistant Director looked at me reproachfully He said that the first rehearsal is an event in an artist s life and he should retain the best possible impression of it 3 I had to adjust my acting to the setting I had to read my lines out of the book or else approximably memorize them The words did not help me and the action tended to take away from me that freedom which I had felt in my own room 4 I was supposed to play the role of Othello and I was placed in one of the wrong chairs I struggled to fit in with my surroundings and I was unable to concentrate on what was happening around me **An Actor**
