SYNTHEZIZING

I will synthesize information to create a new understanding.

Initial thoughts... When I first read the book, I thought that the main character was a hero because he always helped others.

Now I thought... After reading the book again, I realized that the main character was actually a villain because he always tried to hurt others.

Now I think... When I first read the book, I thought that the main character was a hero because he always helped others. However, after reading it again, I realized that the main character was actually a villain because he always tried to hurt others.

Now I think... Now, I think that the main character is a hero because he always helps others. However, I also realize that he is not a perfect hero because he sometimes tries to hurt others.
