**Female-to-Male (FtM) Transgender People's Experiences in Australia** Tiffany Jones, Andrea del Pozo de Bolger, Tinashe Dune, Amy Lykins, Gail Hawkes, 2015-01-09 This Brief is the first national study on female to male FtM transgender people's experiences in Australia. It describes an extensive study that fills the current gap in Australian research on the specific experiences and beliefs about transition for contemporary Australian FtM transgender people. Following an overview of current literature on the various aspects of and approaches to transgender issues, this brief describes in detail the design, participants, and findings of the study. The Brief offers useful statistics and stories related to participants' identities, education, health, sexual, and social lives. It ends with recommendations to all those working in the various offices and institutions that FtM transgender people encounter in their everyday life and represents an invaluable resource for researchers, service providers, and gender-diverse communities alike.

Published amid a bitter dispute with the government printer, it is still acknowledged to contain much useful information despite some inaccuracies. The first part, *Men of the Time*, focuses on notable men and women with Australian connections from 1542 to the date of publication, including explorers, governors, leading colonists, writers, and scientists. The second part, *The Australian Dictionary of Dates*, provides an alphabetical listing of the most remarkable Australian historical events and topics from Aboriginal cricketers to
