Dogs vs. Cats

Have you tried to decide if your next pet should be a cat or a dog? The answer is simple! Dogs are much better pets than cats.

There is no better feeling than coming home from a long day to a dog waiting at the door for you with its tail wagging. Dogs are loving and loyal pets. Cats are usually independent and like to be left alone.

Another reason why dogs are better pets than cats is dogs can protect you from danger. Dogs are defensive and will go great lengths to protect a human in their pack. On the other hand, cats are not protective. They will run from any danger.

Additionally, dogs are better pets than cats because they can help keep you active and fit. Unlike cats, dogs need regular walks and play time. This helps keep their owners active and in shape.

If you are wondering if a dog or a cat is the perfect pet for you, the answer is simple. Dogs are the most loyal, protective, and fun pet you could get.
