Autobiography of Seventy Years George Frisbie Hoar, 2015-06-24 Excerpt from Autobiography of Seventy Years Vol 1 Everybody who reads this book through will wonder that a man who ought to be able to tell so much has really told so little I have known personally and quite intimately or have known intelligent and trustworthy persons who have known personally and quite intimately many men who have had a great share in the history of this country and in its literature for a hundred and thirty years In my younger days there were among my kindred and near friends persons who knew the great actors of the Revolutionary time and the time which followed till I came to manhood myself But I did not know enough to ask questions If I had and had recorded the answers I could write a very large part of the political and literary history of the United States I never kept a diary except for a few and brief periods So for what I have to say I must trust to my memory I have no doubt that after these volumes are published there will come up in my mind matter enough to make a dozen better ones I invoke for this book that kindly judgment of my countrymen which has attended everything I have done in my life so far I have tried to guard against the dangers and the besetting infirmities of men who write their own biography An autobiography as the word implies will be egotistical An old man s autobiography is pretty certain to be garrulous About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition

Hauser,Duane F. Watson,2003 A History of Biblical Interpretation provides detailed and extensive studies of the interpretation of the Scriptures by Jewish and Christian writers throughout the ages This first volume explores interpreters and their methods in the ancient period from the very earliest stages to the time when the canons of Judaism and Christianity gained general acceptance The Complete Restoration Edition Scriptures: Volumes 1-3 ,2019-10-01 This eBook contains the complete Restoration Edition Scriptures Volume 1 The Old Covenants

Comprised of Joseph Smith's Translation of The Old Testament Volume 2 The New Covenants Comprised of Joseph Smith's Translation of The New Testament and the Book of Mormon Volume 3 Teachings and Commandments and A Glossary of Gospel Terms As one of his most important works Joseph Smith Jr spent years making inspired clarifications to the Bible text Here for the first time every known emendation that he wrote or taught has been assembled into the most complete version of Joseph Smith's New Translation of the Bible In October 1831 Joseph Smith said except the church receive the fullness of the scriptures that they would yet fall From that time until his death in 1844 Joseph Smith worked diligently to prepare an edition of the Bible that could be received by the church However he was murdered before completing the work and with the scattering of his notes following his death it was never published in its entirety until now The Book of Mormon is a sacred text to millions worldwide Joseph Smith was led to the buried records in 1823 Thereafter he sought and received the ability to translate the records by the gift and power of God He published the resulting work as the Book of Mormon in 1830 Since then many churches have claimed the book as scripture but it is not the property of any particular church or denomination Rather it is a gift to the world inviting all to come unto Christ and teaching the path back to His presence This Restoration Edition of the Book of Mormon is the most accurate version ever printed and is remarkable among Christian books both for what it is and what it is not Like the Bible it makes the case for Christ as the long awaited Messiah Savior and Redeemer of the world Unlike other scripture that descended through thousands of years of scribal copying alterations and error the Book of Mormon was translated only once directly from the original written manuscripts recorded between 600 BC and 400 AD Teachings and Commandments boldly declares that the heavens are open again and that the prophesied days of revelation and warning are already upon us This volume contains the most true and accurate compilation of the history and revelations of Joseph Smith the first modern American prophet Each of the revelations has been diligently compared with the originals in an effort to retain only the authentic text of each and to discard all changes subsequently made by others The volume also includes Lectures on Faith which was originally published in 1835 as the first part of Doctrine and Covenants and teaches more about the character attributes and perfections of God than any other modern work and the Book of Abraham as originally restored by revelation to Joseph Smith This volume also contains the revelations of Denver Snuffer another witness of the resurrected Lord who has walked and talked with Him and the Testimony of St John as restored by revelation Taken together the various works included in Teachings and Commandments speak to us through hundreds of revelations containing thousands of words from God all pertaining to us in our day and time A Glossary of Gospel Terms provides inspired and thought provoking insights into many of the most interesting terms and puzzling concepts found in scripture A wealth of information this intriguing book should be the companion of everyone searching for a deeper understanding of the things of God Covering hundreds of scriptural topics A Glossary of Gospel Terms adds depth to seemingly well understood topics and provides new and delicious insights into those areas of spirituality that have been shrouded in mystery until now
