Historic Savannah:

Lost Savannah Luciana M. Spracher, 2003-03 Since its founding over 250 years ago Savannah Georgia has become a historic preservation gold mine exhibiting a variety of architectural styles However during the late 19th and early 20th centuries the area experienced heavy economic growth during which numerous buildings were demolished regardless of age or condition to make way for newer and supposedly better structures The community lost many important landmarks architectural masterpieces and a piece of its history Lost Savannah takes a close look at these vanished buildings to document their existence and role in Savannah's past Drawing on collections of the Georgia Historical Society a rich presentation of Savannah's public private and commercial architecture has been brought together in this unique photographic volume Through vintage images one can see the city's development and growth as well as its subsequent decay prior to the preservation movement Lost Savannah examines individual buildings such as Union Station and the Bulloch Habersham House as well as the evolution of Savannah's architectural landscape including West Broad Street and Elbert Square

Classic Savannah William Robert Mitchell, Jr., 1987-11-01 Savannah Georgia is a city famous for its historic homes and gardens and the nostalgic atmosphere of its shaded streets and squares Through a lively text and abundant illustrations most of them in full colour Classic Savannah celebrates a city that has taken many forms and played many roles over its two and a half century history a tiny settlement on Yamacraw Bluff a colonial capital a thriving cotton port a survivor of wars and perhaps most notably a modern preservation success story

Historic Signs of Savannah Justin Gunther, 2004

From the cotton boom after the Civil War to Savannah's economic decline around the middle of the 20th century the city's streetscapes were crowded with signs In a time before strict sign regulations business owners embellished building facades and rooftops with extensive signage to catch the eye of pedestrians and motorists The abundance of advertising was symbolic of Savannah's rapid growth and prosperity but the majority of these signs were discarded over the years and only a few remain Photographs and postcards from the past survive however and images of historic signs serve as reminders of these lost commercial relics Such signs give the bricks and mortar of the past another dimension by identifying their social purpose Through vintage images of Savannah signage this volume provides a history of the city's businesses and industries Included are local landmarks like Levy Jewelers the Globe Shoe Company the Lucas Theatre the Marshall House and Johnny Harris Restaurant

Savannah's Historic Neighborhoods Polly Stramm, 2001 A trio of historic neighborhoods in Savannah Georgia rank among the most picturesque in the United States Ardsley Park Chatham Crescent and Ardmore are well known for their unique layouts and varied architectural styles as well as lush shrubbery and the moss draped oaks that

have become a trademark of Savannah's charm. The development of Ardsley Park and Chatham Crescent began around 1910 as the advent of the automobile allowed more Savannahians to move to the suburbs. Neighboring Ardmore to the south of Ardsley Park and Chatham Crescent came later during the 1920s. The entire area was named to the National Register of Historic Places in 1985. For decades the neighborhoods have been home to some of Savannah's most prominent families. Former residents include media mogul Ted Turner and the University of Georgia bulldog mascot owned by Frank W. Sonny Seiler. Within these pages are photographs from private collections never before made available to the public. Images of Savannahians at work and at play. Captivating scenes of days long ago reveal the history of a much beloved community.

Savannah in History Rodney Carlisle, Loretta Carlisle, 2019-05-01. *Savannah in History* features over 90 sites in Savannah, Georgia presented organized by historical era with over 100 color photos. This presentation is especially important for a city with a long and varied history like Savannah where colonial sites are virtually next door to antebellum Civil War and important modern sites. This guidebook conveys a clear picture of the evolution of the city from its beginnings to the present and helps the tourist and even the resident unravel and understand the dozens of historic buildings and monuments and several excellent museums. Like the others in this series on St. Augustine, Key West, Charleston, and Tampa, it serves as both a guidebook and keepsake.

Historic and Picturesque Savannah Adelaide Wilson, 1889 **It's Not That Lincoln** Tony Cope, 2016-08-10. SAVANNAH has the largest designated Historic Landmark District in America and it is based on the original plan for the Colony of Georgia designed by James Edward Oglethorpe in 1733. Within the District today are residences, hotels, churches, businesses, and a university. Thousands of tourists visit the city every year and most residents and tourists alike walk the streets in the Historic District without any idea of for whom the streets are named. Who were these historic figures? What did they do to have a street named for them? Oglethorpe and Martin Luther King are two names most would recognize; they may think that they know for whom Lincoln Street is named, but who were Drayton, Whitaker, Bryan, and Abercorn? What did Harris, Hull, Gaston, and Gordon do to warrant such an honor? Were any of the streets named for women? IT'S NOT THAT LINCOLN answers those questions.

why they are so special As a way to chronicle his findings and to help others fascinated by Savannah's architecture and history he compiled this guide featuring some of the city's oldest historic district homes The guide tells you when each home was built where to find it the history of the ward where it's located and more Photos show the homes in the context of their surroundings In some cases you'll see two adjacent homes that look identical even though they were built a hundred years apart Whether you're a visitor or Savannah resident exploring your city's rich history and architecture you'll find this guide an essential resource to learning about its historic homes *Hidden History of Savannah* Brenna Michaels and T.C.
