Problems in the Improvement of Reading Constance Mary McCullough,Ruth May Strang,1955

Improving Reading and Reading Engagement in the 21st Century Clarence Ng,Brendan Bartlett,2017-05-31 This book presents cutting edge research findings in areas critical to advancing reading research in the 21st century context including new literacies reading motivation strategy instruction and reading intervention studies While students reading performance is currently receiving unprecedented attention there is a lack of research that adopts an international perspective and draws on research expertise from different parts of the world to present a concerted effort discussing key research models and findings on how to improve reading education Addressing this gap in the literature the book also responds to the challenge of promoting higher levels of literacy and supporting and developing readers who can enjoy and critique texts of every genre

Reading Institute Extension Service: Schoolwide improvement of reading skills Lawrence W. Carrillo,1961 Improving Reading Skills Across the Content Areas Rebecca Rozmiarek,2005-11-11 A must have must read resource for every teacher in all subject areas This is a great book and full of good ideas that every classroom teacher can use It has ideas that can be used with diverse students gifted ESL Special Education and everything in between Rozmiarek makes a substantial contribution to the reading field with this book Arlene Myslinski ESL Teacher Buffalo Grove High School IL In today s competitive environment of standards based education improving reading proficiency and increasing content knowledge have never been more important Yet developing exceptional reading skills in middle and high school students presents many obstacles In this practical and user friendly book literacy specialist Rebecca Rozmiarek shares more than 100 classroom tested reading

activities that will benefit all students in grades 6-12 including gifted special education and ELL students. Incorporating years of success in helping struggling secondary students become expert readers, she provides both a jargon free overview of critical research and activities that every teacher can use to improve reading comprehension and content retention. Student examples and sample modifications show teachers how reading activities can be used in content areas ranging from math and science to social studies and English and more. Each chapter contains A skills overview, Detailed descriptions of relevant subskills, Skill building activities, An assessment rubric, Examples of student work, Blank reproducibles of every activity, Learn how to use double entry journals, text coding, bookmarking and questioning strategies to help students become more proficient readers. Based on IRA and NCTE standards these activities foster independence, self reflection and motivation in all students.

How to Increase Reading Ability Albert Josiah Harris, Edward R. Sipay, 1985 *Using Peer Tutoring to Improve Reading Skills* Keith Topping, David Duran, Hilde Van Keer, 2015-10-08

Using Peer Tutoring to Improve Reading Skills is a very practical guide offering a straightforward framework and easy to implement strategies to help teachers help pupils progress in reading. A succinct introduction it shows how schools can make positive use of differences between pupils and turn them into effective learning opportunities. Outlining the evidence base supporting peer tutoring approaches it explores the components of the reading process and explains how peer tutoring in reading can be used with any method of teaching reading. Core topics covered include Planning and implementing peer tutoring, Getting your school on board, How to structure effective interaction, Training peer tutors and tutees, Paired Reading, cross ability approaches, One Book for Two, fostering fluency, reading comprehension and motivation, Reading in Pairs, cross and same year tutoring, Supporting struggling readers, Involving families in peer tutoring, Evaluation and feedback. Illustrated throughout with practical examples from diverse schools across Europe. Using Peer Tutoring to Improve Reading Skills is an essential introduction offering easy to use guidelines that will support teachers in primary and secondary schools as they enhance pupil motivation and improve reading standards.
